INTRODUCTION

Purpose and Scope

This edition of the *Voting Assistance Guide* is designed to help the following persons participate in U.S. primary and general elections during 2004 and 2005 even though they may not be able to vote in person at the polls:

- Members of the U.S. Uniformed Services, which includes the Army, Navy, Air Force, Marine Corps, Coast Guard, and the Commissioned Corps of the Public Health Service and the National Oceanic and Atmospheric Administration;
- Members of the U.S. merchant marine;
- Family members of the above;
- U.S. Citizens residing outside the U.S.

Sources of Assistance

Absentee voting information in this *Guide* is current through September 2003. Procedures or primary election dates that change after publication will be updated through the Federal Voting Assistance Program's (FVAP) World Wide Web site at www.fvap.gov as they are received.

These changes are also disseminated by voting news releases distributed to voting assistance personnel in all Federal government departments and agencies with voting assistance programs. The same channels are used to disseminate information about special and other elections.

In addition, the Voting Information Center (VIC) provides a 24 hour recorded service with information on current and upcoming elections, recorded messages from incumbent U.S. Senators, U.S. Representatives, State Governors and State Chief Election Officials. Approximately thirty days prior to an election, messages from Congressional and Gubernatorial candidates are also available. The VIC telephone numbers are (800) 438-8683, (703) 588-1343 or DSN 425-1343. The VIC can also be called toll-free from overseas on any of the numbers listed on the inside back cover.

Each Military Department, the Coast Guard, and the Department of State has a Voting Action Officer to assist installation and unit Voting Assistance Officers and Embassy/Consulate Voting Assistance Officers with any questions or problems they may have concerning voting. The information below will help you contact your Service Voting Action Officer.

THE BASIC ABSENTEE VOTING PROCESS

* In order to receive an absentee ballot in a timely manner, it is imperative for citizens to keep their local election official informed of address changes.

CHAPTER ONE

THE FEDERAL VOTING ASSISTANCE PROGRAM

1. The Federal Voting Assistance Program (FVAP) at Work

The Director, Federal Voting Assistance Program (FVAP), in the Department of Defense, is responsible for administering the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* on behalf of the Secretary of Defense who is the Presidential designee for the Federal functions of the law.

Specifically, the mission of the FVAP is to:

- inform and educate U.S. citizens worldwide of their right to vote,
- foster voting participation,
- protect the integrity of, and enhance, the electoral process at the Federal, state and local levels.

In carrying out the responsibilities of the *UOCAVA*, the FVAP provides information and materials to these citizens to help ensure their enfranchisement and promote understanding and participation in the democratic process. Program activities range from the development of the universal Federal Post Card Application (FPCA or SF 76) which is accepted by all 55 U.S. states and territories and serves as simultaneous application for voter registration and/or an absentee ballot; to the production and worldwide distribution of print, broadcast and electronic voter education and information services; to developing and maintaining a working relationship with U.S. states, territories and other Federal government agencies to simplify the registration and absentee voting processes.

2. Helping U.S. Citizens to Vote

The Federal government has assisted certain absentee voters since 1942. The *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* requires that the states and territories allow certain groups of citizens to register and

vote absentee in elections for Federal offices. In addition, many states and territories have developed their own laws allowing citizens covered by the *UOCAVA* to register and vote absentee in state and local elections as well.

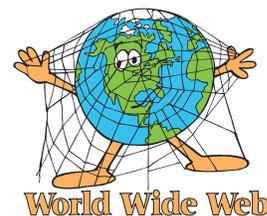

U.S. citizens covered by the *UOCAVA* include:

- Members of the U.S. Uniformed Services (on active duty) and merchant marine
- Their family members
- U.S. citizens residing outside the U.S.

Further details on the *UOCAVA* are in Chapter 2 and the complete text of the *Act* is located in *Appendix D*. The *UOCAVA* covers over six million potential voters worldwide.

3. Online/E-mail Assistance from the FVAP

The Federal Voting Assistance Program's (FVAP) website at www.fvap.gov provides voting related information and resources for *UOCAVA* citizens. In order to maximize the use of the Internet, the FVAP's main objective is to provide as much current information on-line as possible to help increase the knowledge of *UOCAVA* citizens so that they may be able to participate in the democratic process.

The website also provides downloadable forms and all of the FVAP's informational materials in electronic format to include this *Voting Assistance Guide*, current and back-issues of the *Voting Information News* newsletter and voting news releases as well as links to Federal government agencies and Congress, various U.S. citizen organizations overseas, Secretaries of State/Directors of Elections, state and local government organizations and other pertinent sites containing election information.

E-mail access to the FVAP staff is provided directly through vote@fvap.ncr.gov.

The World Wide Web and the Internet are the most effective and efficient ways to disseminate information as they allow citizens to be supported on a real-time basis regardless of their geographic location.

4. The Important Role of the Voting Assistance Officer (VAO)

The *UOCAVA* requires each Federal department and agency with personnel covered by the *UOCAVA* to have a voting assistance program. Department of Defense Directive 1000.4 and the Secretary of Defense's biennial Voting Action Plan establish policy and guidelines for carrying out an effective voting assistance program.

Voting Assistance Officers (VAOs) are critical to the success of these programs. These individuals, both military and civilian, are responsible for providing accurate nonpartisan voting information and assistance to all of the citizens that they are appointed or volunteered to help. They

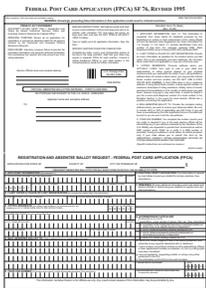

aid in ensuring that citizens understand their voting rights and how to vote absentee under the *UOCAVA*.

The U.S. Uniformed Services have an extensive chain-of-command support mechanism for their VAOs. The Department of State offers voting assistance through its Embassy and Consulate VAOs to all U.S. citizens outside the United States. At the same time, many U.S. citizen organizations and corporations outside the United States designate and support VAOs to assist their members, employees and other U.S. citizens living abroad.

5. The *Voting Assistance Guide*: The Principal Source for Voting Information

This *Voting Assistance Guide* is the primary source of information in carrying out a successful voting assistance program and is designed for use by both military and civilian *UOCAVA* citizens in their effort to register and vote absentee. For ease of use, these instructions and guidelines are organized alphabetically by state and territory in Chapter 3.

6. The Federal Post Card Application (FPCA)

The FPCA is a postage-paid (within U.S. postal system, including APO and FPO addresses) postcard for use by absentee voters covered under the *UOCAVA*. The *UOCAVA* requires the design of a single postcard form to serve all states and territories both as an absentee voter registration application and an absentee ballot application. Chapter 2 contains general instructions for

completing the FPCA. The extent and manner of its use, however, is controlled by state and territorial law and sometimes by local procedure. Because of varying state procedures, the citizen should refer to the specific instructions for their state or territory in Chapter 3 to determine how to complete and submit the FPCA carefully and accurately to the proper election official.

Most states also accept the on-line Federal Post Card Application (OFPCA) form which is available on the FVAP website at www.fvap.gov. See Chapter 2 for details.

It is important to note that VAOs should order and stock four FPCAs for each citizen for whom they are responsible. By January 15th of each calendar year, FPCAs should be delivered in-hand to eligible voters and their voting age dependents. In addition, FPCAs should be provided to citizens outside the U.S. by **August 15th** of even-numbered

years and to citizens within the U.S. by **September 15th** of even-numbered years. Remind citizens to send in a new FPCA each time they move.

7. The Federal Write-In Absentee Ballot (FWAB)

The Federal Write-In Absentee Ballot (FWAB) is a backup ballot available if a citizen outside the United States (including APO and FPO addresses) does not receive the regular absentee ballot from the state after having made a timely application for the ballot. The FWAB is used to vote for Federal offices (President/Vice President, U.S. Senator, U.S. Representative, Delegate or Resident Commissioner) in general elections. Some states now allow military and overseas citizens to use the FWAB in elections other than general elections or for offices other than Federal offices. Again, the citizen should consult Chapter 3 of the *Guide* for specific state or territorial requirements. Connecticut is not required to, but currently does accept the FWAB.

The FWAB is valid only when all criteria for its use have been met. Chapter 2 contains specific criteria for use of the FWAB. Also, a sample FWAB, with instructions, can be found on pages 19-26 of this *Guide*.

VAOs should order and stock at least one FWAB for each citizen for whom they are responsible.

8. Secure Electronic Registration and Voting Experiment (SERVE)

Congress has mandated the SERVE project be conducted to gather data and make recommendations regarding the use of the Internet for registration and voting as an alternative to the by-mail absentee voting process. FVAP is conducting SERVE with volunteer states and localities to explore the use of technology to maximize access to the polls for our Uniformed Services personnel and overseas citizens.

Several States are participating in this initiative and are listed on the SERVE website (www.serveusa.gov). FVAP encourages all eligible Uniformed Services personnel, their dependents and overseas citizens from the participating states to use SERVE to register and vote in 2004. SERVE will enable these citizens to register to vote, track their registration status, vote their ballots and have them counted in their home jurisdictions from anywhere in the world on a computer with Internet access.

FVAP is working closely with State and local election officials to build a secure system and ensure that the

integrity of the electoral process is maintained. The SERVE system will be available early in 2004 for Uniformed Services personnel and overseas citizens to submit voter registration applications and absentee ballot requests in participating States for the November 2nd Presidential election.

SERVE is the latest in a series of technology initiatives undertaken by FVAP as part of its mission to improve access to the polls for overseas citizens and Uniformed Services personnel. A small-scale proof-of-concept pilot program, Voting Over the Internet, was successfully conducted for the 2000 election. Eighty-four voters located in 21 states and 11 countries were the first citizens ever to register and cast their ballots over the Internet to their voting jurisdictions in Florida, Texas, South Carolina and Utah in a Presidential election. This project was awarded the Excellence.Gov award in 2003. SERVE is building on the knowledge and experience FVAP and participating States gained in this ground breaking project.

At the conclusion of SERVE, a report will be sent to Congress on the reliability, affordability, and security of Internet registration and voting on a large scale for UOCAVA citizens.

9. Ten Major Resources To Help the Voting Assistance Officer (VAO)

As a civilian or military VAO, there are ten major resources available to help carry out an effective, nonpartisan voter registration and absentee ballot awareness program. These resources can truly enable you to perform your role at a peak level. They are:

a. Website - www.fvap.gov

The FVAP website contains this *Guide*, all of the FVAP's informational materials, the on-line FPCA, and links to state election sites, federal government sites and overseas U.S. citizen organizations. The website is updated regularly and contains the latest information.

b. Ombudsman Service

The Ombudsman Service puts VAOs, citizens and local election officials directly in touch with the FVAP via e-mail, telephone or fax. Call toll-free in the U.S. at: **1-800-438-VOTE (8683)**, **DSN (military) 425-1584** or **Commercial (703) 588-1584** and fax **(703) 588-0108**. International toll-free phone numbers are listed on the inside back cover and on the FVAP website at www.fvap.gov. The e-mail address is vote@fvap.ncr.gov.

c. Electronic Transmission Service (ETS)

The Electronic Transmission Service faxes election materials (FPCAs, blank ballots, voted ballots, other election materials) where allowed by state law, between the local election official and the absentee voter when conditions do not allow for timely receipt and return of these materials via the postal system. Because procedures vary from state-to-state, consult the state pages in Chapter 3 and *Appendix C* for details.

If electronic transmission is allowed by your state or territory, the FVAP recommends faxing using the following numbers: **(703) 693-5527**; **DSN (military) 223-5527** or **1-800-368-8683**. International toll-free fax numbers are listed on the inside back cover. If a citizen experiences technical problems when faxing the FPCA or ballot, citizens may contact the FVAP via the Ombudsman Service (see above).

After faxing, most states request that the citizen mail the original completed and signed FPCA, or voted ballot to the local election official.

d. DoD Voting Information Center (VIC)

The VIC is an automated telephone system which contains election information. The system is maintained and operated by the FVAP, and allows citizens to connect directly to the office of their U.S. Senator, U.S. Representative, State Governor and State Chief Election Official. Additionally, approximately 30 days prior to an election, the FVAP invites all candidates for the offices of U.S. President, U.S. Senator, U.S. Representative and State Governor to leave campaign messages for UOCAVA citizens.

The VIC also serves as a means for military VAOs to communicate with their Service Voting Action Officer, and civilian VAOs to communicate with the Department of State Voting Action Officer. The VIC has speech recognition technology for callers using a rotary telephone. The VIC can be reached toll-free in the U.S. at **1-800-438-VOTE (8683)**, **DSN (military) 425-1343**, **commercial (703) 588-1343** or by using the international toll-free numbers listed on the inside back cover and on the FVAP website at www.fvap.gov.

e. Voting News Releases

These are time-sensitive periodic news releases that inform and educate VAOs and UOCAVA citizens about the latest critical information on

absentee registration and voting procedures and on issues effecting their ability to register and vote. For example, if a state or territory makes a change to its procedures or election dates during the year, or a special election for a Federal office is called, a news release would be issued to alert citizens of these events.

The voting news releases are sent directly via e-mail to VAOs. Releases are also available on the FVAP website at www.fvap.gov.

f. Voting Information News Newsletter

This is a monthly newsletter published by the FVAP which contains up-to-date information on elections, absentee registration and voting procedures, a “To Do” list for VAOs, and other voting related matters that may affect UOCAVA citizens. The newsletter is sent primarily to all civilian and military VAOs by e-mail or regular mail. It is also available on the FVAP website at www.fvap.gov.

g. Training

A training workshop presentation is available for VAOs at the FVAP’s website at www.fvap.gov. There are two versions of the workshop. One focuses on the duties and responsibilities of VAOs in the Uniformed Services, while the other version is for VAOs at Embassies and Consulates as well as U.S. citizen organizations and corporations outside the United States. The training highlights instructions for completing the forms, responsibilities of the VAO and the resources available to conduct a successful voting assistance program. An online E-Learning Training and Certification program is also available (see the FVAP website for additional information).

h. Election Dates Poster and Motivational Posters

The Election Dates poster lists the dates for Federal office and state primaries, runoff elections and the general election. Best of all, this poster has a place at the bottom for the VAO’s name, telephone number and E-mail address. VAOs should display the poster so individuals will know how to contact them.

To help promote voter awareness, the FVAP also provides motivational posters. These are posters that contain an inspirational theme used to promote interest in voting.

Military VAOs receive the posters through their normal distribution channels. Overseas citizens can pick-up the posters from Embassy and Consulate VAOs as well as order them directly from the FVAP.

i. Get Out the Vote Campaign.

Produced by the FVAP, in cooperation with The Advertising Council, this campaign consists of motivational public service announcements encouraging citizens to vote. These are available in print, audio and video formats for use in local media worldwide. Call the FVAP for details.

j. Chain of Command (Military) or Embassy and Consulate (Civilian) VAO Support

As a military VAO, make certain your Installation telephone operator has your name and telephone number and that you know the names and telephone numbers of VAOs in your chain of command. A complete list of Service Voting Action Officers can be found on page 1 of this *Guide*.

As a civilian Voting Assistance Officer (VAO), know the names and telephone numbers of voting officers at your closest U.S. Embassy or Consulate. Discuss your voting efforts with Embassy and Consulate VAOs and work together to develop an effective voting assistance program for all U.S. citizens in your community.

1. The *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)*

UOCAVA allows certain U.S. citizens to vote absentee. The *UOCAVA* applies to:

- Members of the U.S. Uniformed Services (on active duty) and merchant marine,
- Their family members, and
- U.S. citizens residing outside the U.S.

Members of the U.S. Uniformed Services or merchant marine and their family members may vote absentee while away from their place of voting residence, wherever stationed, inside or outside the United States.

The *UOCAVA* also applies to U.S. citizens residing outside the United States and its territories. These citizens may vote in the state or territory where they last resided immediately prior to departing the United States, even if many years have elapsed and the citizen maintains no residence in the state or territory and the intent to return to that state or territory may not be certain. Many states and territories permit these citizens to vote in elections for Federal offices only, although some states will send a ballot containing local and state offices as well.

The *UOCAVA* provides that voting for Federal offices shall not affect the determination of the voter's place of residence for purposes of any tax imposed under Federal, state or local law. Liability for state income tax, however, may be incurred in some states by voting absentee in state or local elections. To assess the probability of incurring state taxes on income earned outside the United States, see *Appendix E* and consult legal counsel for details.

The Federal Voting Assistance Program (FVAP) encourages citizens to bring problems encountered in the voting process to the attention of the Embassy or Consulate Voting Assistance Officers. If a problem cannot be resolved locally, then contact the FVAP.

A complete text of the *UOCAVA* is in *Appendix D*.

2. The Absentee Voting Process

The absentee voting process permits citizens covered by the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)*, who will be away from their local polling places on election day, to vote through the mail or an

alternative method. Absentee voters should request their ballots at least 60 days before the election whenever possible to allow enough by-mail transit time.

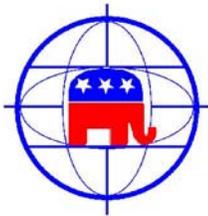

In order to register and/or vote absentee, an eligible U.S. citizen must carefully and accurately complete a Federal Post Card Application (FPCA) and then submit it to the proper election official. Specific instructions for completing the FPCA for each state and territory are contained in Chapter 3.

United States citizens are afforded full voting assistance at all U.S. Embassies and Consulates. They may also use APO and FPO facilities, including the Department of State pouch, to mail FPCAs and other voting materials back to the U.S. Finally, it is important to note that U.S. citizens overseas may receive voting assistance at military installations, at the discretion of the installation Commanding Officer.

3. Registration and Ballot Request

Persons who are away from their legal voting residence must follow the guidelines of their state or territory for voting absentee. Chapter 3 describes these requirements in detail. In addition, citizens and VAOs are urged to note deadlines carefully. These dates vary from state to state.

Consult Chapter 3 for the proper method to complete the FPCA to request registration and a ballot from each state and territory.

4. Requirements for Voting, Establishing Voting Residence and Registration

A. Citizenship and Age

All states and territories prescribe two voter requirements:

- A voter must be a citizen of the United States on the date of the election in which he or she wishes to vote; and
- A voter must be at least 18 years old on election day in order to vote. Some states permit a 17-year-old to vote in primary elections if he or she will be 18 by the date of the general election.

B. Voting Residence

The issue of voting residence is complex. Even in states where laws clearly define criteria for determining a person's voting residence, the final determination is generally up to each local election official.

The UOCAVA allows citizens outside the United States (not affiliated with the Uniformed Services) to vote in the state or territory where they last resided immediately prior to departing the United States, even if many years have elapsed, and the voter maintains no residence in the state or territory, and the intent to return to that state or territory may not be certain.

For members of the Uniformed Services and their family members, in most states the legal voting residence is defined as where they have, or have had, physical presence at the location and, the intent to remain or return.

If a citizen is uncertain about his or her current legal voting residence, the citizen should examine his or her connections or ties to the state or territory in question and consult with legal counsel. Further, voting assistance personnel advising citizens of their proper voting residence or registration status should consult legal counsel.

C. Questions to Help Establish Voting Residence

The following questions may aid voting assistance personnel in advising citizens on voting residence:

- Where have you registered to vote?
- Where have you voted?

- What state or territory has issued you a driver's license, any other license or identification card?
- Where is your motor vehicle registered?
- Where is your home or home of record?
- What state or territory are you from?
- Where did you live before coming here?
- Where did you live immediately before leaving the United States?
- Where does your family live?
- Where do your parents live?
- Where do you own property?
- Where do you engage in any businesses?
- Where do you have bank accounts?
- Where are you a member of any organization?

D. Registration

In some states, registration may not be necessary to vote. If there is any doubt about registration status, the FVAP advises citizens to apply early for registration. Chapter 3 addresses specific registration requirements and information for each state and territory.

E. Questions to Help Establish Current Registration

Voter registration can be affected or cancelled for several reasons: not voting for a period of time, changed residence since the last registration or election, changed name since the last registration or election, or changing political party preference since the last registration.

This set of questions should aid in the determination of current registration:

- Are you registered to vote?
- Where and when did you register?
- Where and when have you voted? (See Chapter 3 for state or territory provisions on cancellation of registration for not voting.)
- Have you changed your address since you last registered?
- Have you changed your name since you last registered or voted?
- Have you changed your party affiliation since you last registered?

The FVAP ombudsman service can help individuals by contacting their local election official for registration status.

5. Completing the Federal Post Card Application (FPCA)

In order to register, and/or request an absentee ballot, an eligible U.S. citizen must carefully and accurately complete an FPCA before submitting it to the proper election official. However, the extent and manner of FPCA usage is controlled by state and territory law and sometimes by local procedure. Because of varying state and territory procedures, the citizen should refer to Chapter 3 when completing the FPCA.

A. State and Local Treatment of the FPCA

In all states and territories, the FPCA serves as a valid request for registration and/or absentee ballot for those citizens entitled to use it regardless of whether they have registered prior to the submission of the FPCA. For such citizens, registration is either waived or considered accomplished upon submission of the FPCA requesting a ballot.

A few states may also require submission of their own registration form for permanent registration. Usually the local election official will send this form with the ballot. Refer to individual state procedures in Chapter 3.

B. On-Line Federal Post Card Application (OFPCA)

The OFPCA is an alternative to the card stock FPCA. The OFPCA is being provided as a convenience and as a time-saving alternative when you cannot get the postage-paid (in U.S. Mails including APO and FPO addresses) cardstock FPCA through other means and so that you will not miss the opportunity to register or make timely request for a ballot. Unlike the postage-paid cardstock FPCA, users of the OFPCA must affix postage on the envelope before mailing the form. Most states and territories accept the OFPCA. Check the FVAP website at www.fvap.gov for a list of states that do accept the form. If you send the OFPCA to a state or territory that does not accept it, your application may not be processed.

The form can be filled-in on-line, printed out, signed, dated, placed in an envelope with the proper postage and mailed to the appropriate local election official.

Note: You are entitled to get the postage-paid FPCA which may be requested from a VAO or the FVAP.

C. Deadline for Submitting the FPCA

In about half the states and territories, the deadline for submitting the FPCA is the same for all those entitled to use it, regardless of whether or not the citizen is on the voter

registration rolls for that state or territory. In the remainder of the states and territories there will be two deadlines: one for the registered voter and one for the nonregistered voter.

In the latter category of states, the nonregistered voter usually must submit the FPCA to the local election official by the state's or territory's deadline for voter registration (usually about 30 days prior to the election). The registered voter may have a later deadline. The citizen should refer to his or her state or territory in Chapter 3 for further details.

Every registered citizen is strongly urged to submit the FPCA so that it is received by the election official at least 45 days prior to the election. Unregistered citizens are urged to submit the FPCA so that it arrives at least 60 days prior to the election. This helps to ensure timely delivery of the ballot to the citizen.

In all states and territories, one FPCA will secure for the applicant both primary and general election ballots for Federal offices for an entire calendar year. The Help America Vote Act of October 2002 has extended the effective period of the FPCA through two regularly scheduled general elections for federal office. However, due to the transient nature of many UOCAVA citizens, **FVAP continues to recommend that each citizen submit an FPCA to their state of legal residence in January of each year** and again each time there is a change in the citizen's mailing address.

D. FPCA Completion Instructions (Revised 1995)

Type or print all information in dark (black preferred) ink. Refer to Chapter 3 for particular items required by each state and territory to complete the FPCA and see page 19 for a depiction of the form. Fill in state, county, city or township of voting residence at the top of the form and all other required items in accordance with the following instructions (by item number):

1. **Applicant Information** — Full name; sex; race; date of birth; social security number; and other identification number (state drivers license or ID card, passport).
2. **I Last Voted or Place of Last Registration** — Enter year; county, city or township; state; voter registration number (if known).
3. **Voting Residence** — Enter complete voting residence. If you use a rural route number, be as descriptive as possible so that election officials can determine your proper voting district and which ballot to send you.
4. **Mail Absentee Ballot To** — Provide the complete mailing address where you want the ballot delivered. Include all international codes and country name.

5. **Your Fax Number** — Provide your fax number. Refer to Chapter 3 to determine which forms states and territories allow to be faxed.

Note: Even if the state does not accept faxing of official election materials, FVAP recommends you include a fax number here in case the local election official needs to contact you.

6. **Political Party Affiliation** — Enter information here as required by your state or territory to vote in a primary election.
7. **Remarks** — Use this space to provide any information which may assist local election officials in contacting you and processing the application. Providing **your e-mail address** or the name and telephone number of a local contact person, a maiden name or other name used, will help the local election official. Also, if you are requesting a state special write-in absentee ballot, indicate the reason for it, or if required by your state, place a gummed label (from Chapter 3) here. If a gummed label is used, write any necessary contact information on a separate piece of paper and attach to the FPCA.
8. **Affirmation By Applicant** — Read items a through d and mark the appropriate box with an X. In most states, marking a, b or c will entitle you to receive a full ballot from the state or territory. Marking b or c generally means that at some future time you intend to reside again in that state or territory. Marking box d generally indicates that you were a resident of the state or territory before departing the U.S. and your intent to return at some time in the future may be uncertain. Marking block d applies for a ballot for Federal offices only (if one is printed by the state or territory).

If you reside outside the U.S. and wish to avoid classifying yourself as a state resident for tax purposes, mark block 8 d. If the state sends a full ballot because it does not print a separate ballot for Federal offices only, you may vote the full ballot. Check with legal counsel if you have specific tax related questions.

Read items e - h and use block i and j (Signature of Applicant and Date) to sign and date this application.

9. **Witness/Notary Address And Signature** — Consult Chapter 3 to determine which election materials may require a witness or notary. If more space is required to complete this, use Item 7 (Remarks) or a separate piece of paper attached to the FPCA.

The FPCA also contains a small postcard on which the applicant should include a return address. This will enable the local election official to contact the applicant. If the FPCA is incorrect or lacks any information necessary to

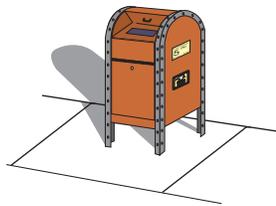

process the form, the local election official may return the postcard or contact the citizen by e-mail, telephone or fax explaining what information is needed to complete the registration and/or ballot request.

While pre-1995 versions of the FPCA may still be in circulation, the FVAP recommends use of the 1995 revision only, due to changes in state requirements.

6. Mailing the FPCA

The citizen should mail the FPCA in sufficient time to comply with all state or territory deadlines. The citizen should be certain that he/she allows enough time to receive, vote, and return an absentee ballot in time for it to be counted.

The FPCA does not require postage if mailed in the U.S. postal system, which includes all U.S. military post offices (APO/FPO) overseas as well as diplomatic pouches. Many Embassies and Consulates have access to U.S. military post offices. Those that have access will accept the FPCA and give it to the U.S. military post office where it will be mailed with no postage required. The FPCA may also be sent postage-free through the diplomatic pouch at Embassies and Consulates. However, the diplomatic pouch may not have a regular pick-up schedule. If you are mailing election materials from overseas and do not have access to a U.S. Embassy/Consulate or an APO/FPO address, please affix the proper postage necessary to get the materials into the U.S. postal system. In some cases it might be better to pay for either the international mails or private air courier services.

Consular officers at Embassies or Consulates can provide the best mailing advice for citizens.

7. Electronic Transmission of Election Materials

Transmitting voting materials by mail may not allow for the timely receipt and return of materials. When such conditions exist, possibly preventing an individual from voting, electronic transmission may be possible. However, a VAO should first refer to Chapter 3 to determine if a state or territory permits faxing of official voting materials, and if so, which voting materials a state or territory may allow to be faxed.

When faxing an application, voted ballot, or other election materials, the FVAP recommends use of one of its Electronic Transmission Service (ETS) numbers. These numbers are: **DSN (military) 223-5527; 1-800-368-8683; or (703) 693-5527**. Overseas citizens with questions may reach the FVAP by using the international toll-free numbers listed on the inside back cover and on the FVAP website at www.fvap.gov.

Citizens should fax the FPCA or ballot in private. If a VAO's assistance is required, his or her role is to perform these duties in an official capacity and to protect the integrity of the electoral process and the confidentiality of the voter and his or her vote. Most states that permit faxing of the voted ballot require the voter to sign a waiver of his or her right of a secret ballot.

Separate transmissions and/or cover sheets should be used for each FPCA or ballot sent. Also, after faxing, most states request that the citizen mail the completed FPCA or voted ballot to the local election official at the appropriate state or territory address listed in Chapter 3.

Appendix C explains the fax process and contains a cover sheet which can be duplicated for use when faxing election materials.

8. Ballot Receipt and Late Counting

Some absentee ballots may arrive too late for the voter to execute the ballot, get it witnessed or notarized if required, and mail it to the local election official so that it arrives by the indicated deadlines. It is always advisable to vote the ballot and return it as soon as possible, even if the citizen believes it will not arrive in time to be counted. Some states and territories (see Chapter 3) allow for counting beyond election day if the ballot is postmarked on or before the date of the election. If the citizen's state or territory is not among those that allow late counting, the citizen should mail the ballot anyway. The FVAP has initiated court actions in the past which required some states to count absentee ballots received past normal deadlines.

Whenever possible, especially for states and territories which allow late ballot counting, citizens should ask the postal clerk to hand stamp the envelope verifying the ballot's mailing date.

9. Ballot Delays

The possibility that local election officials may not receive the necessary information to print absentee ballots until close to election day can be a problem for absentee voters.

One major cause of delay in preparing and mailing ballots is litigation by candidates to be placed on the ballot or to

remove an opponent's name from the ballot, or because of objections to the format of the ballot.

Through communication with state and local election officials, the FVAP is often able to anticipate which states or localities may not be able to mail ballots in a timely manner. This information will be transmitted, as available, to voting assistance personnel through department and agency Voting Assistance Officers.

10. Marking and Mailing the Ballots

State or local election districts send the ballot with complete instructions for marking and returning the ballot. Frequently these instructions call for a procedure that requires the service of a VAO or other individual.

Caution should be taken not to compromise the voter's right to the secrecy of the ballot.

11. The Federal Write-In Absentee Ballot (FWAB)

The FWAB is a back-up ballot that can be used by UOCAVA citizens in general elections for Federal offices under three very specific conditions. To be eligible for this ballot, a citizen must:

1. Be located outside the United States, including APO and FPO addresses.
2. Apply for a regular ballot early enough so that the appropriate local election official **receives** the request at least 30 days before the election.
3. Not have received the requested regular absentee ballot from the state.

The FWAB must be received by the local election official not later than the deadline for receipt of absentee ballots under state or territory law. Connecticut is not required by law to accept the FWAB, but currently does accept it.

Some states now allow the FWAB to be used by military and overseas citizens in elections other than general elections, for offices other than Federal offices, or from within the U.S. Therefore, it is important to consult Chapter 3 of this *Guide* regarding use of the FWAB. Also, the FVAP may take legal action or enter into an ad hoc agreement with a state to allow expanded use of this pre-positioned ballot. The FVAP will notify VAOs regarding any changes to the parameters governing the use of the FWAB through the Voting Information News newsletter, voting news releases and the on-line edition of this *Guide*.

Note: A sample Federal Write-In Absentee Ballot, (SF 186) with instructions can be found on pages 19-26.

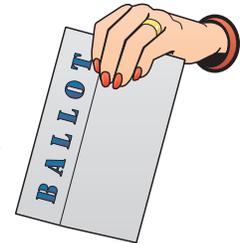

12. State Special Write-In Absentee Ballot

Several states provide a state special write-in absentee ballot to assist citizens, such as submariners, missionaries, Peace Corps personnel and other individuals in extremely isolated areas, who know before the election they will be unable to use their state's regular absentee voting procedures due to lack of regular mail service. It should not be confused with the Federal Write-In Absentee Ballot.

The eligibility requirements for a state special write-in absentee ballot are set by the individual states and can be found in the various state and territory pages in Chapter 3. Generally, state special write-in absentee ballots include state, local, and federal offices.

13. Voting In Person

Citizens who live within the United States may be able to register and vote where they live. This generally applies to eligible members of the U.S. Uniformed Services and their family members regardless of whether they live on or off a military installation. In short, any qualified person who can satisfy a state's or territory's legal residence requirement can register and vote in that state or jurisdiction.

Registering to vote at your new place of legal residence will cancel your registration at your previous residence and may cause you to incur state or local tax liabilities at the new residence. For those who may be able to choose to vote absentee in one state or territory or in person in another, tax consequences and other legal effects of changing voting residence should be considered. Voters should consult legal counsel when making these decisions.

If stateside, the VAO should contact local election officials where the installation is located, have available telephone numbers and become familiar with registration procedures in order to assist military and dependents who vote locally. The FVAP can provide contact information for these offices.

Many states and territories have systems of mail registration. These states permit applicants to register by mailing a state prescribed form in lieu of in-person registration. Many of these forms are available online. The FVAP website (www.fvap.gov) has links to state and territory election web sites.

Some localities operate mobile registration units as a convenience to citizens. Others expand registration opportunities through different methods. For additional information on registration in a particular community, citizens and voting assistance personnel may contact state or local election officials. VAOs at the department or agency level are also able to provide assistance in these matters.

14. Late Registration

Many members of the U.S. Uniformed Services and overseas citizens go through a transition period when they first leave the Uniformed Services or return home from overseas employment and may not know where they will take up permanent residence. Others may move to a new location and not meet the state's residency requirements. Sometimes the date of discharge or return from overseas, and a state's registration requirement may disenfranchise a recently discharged military member, their eligible family members or overseas citizens. Some states have special procedures to allow these persons to register and vote.

In most of these cases, the registration is only valid for the next election.

Chapter 3 of this *Guide* includes information on those states which allow late registration. Each year states and territories pass legislation to facilitate voting by military members and overseas citizens. If the *Guide* does not indicate that the state or territory allows late registration, the citizen can check the on-line version of this *Guide* at www.fvap.gov or contact the local election official to see if the state or territorial laws have changed to allow late registration.

15. Reporting Irregularities

Voting Assistance Officers (VAO) should report any irregularities in the voting process to their department or agency headquarters VAO. These will be further reported to the FVAP and appropriate action will be taken.

The FVAP strongly encourages voting assistance personnel to make suggestions for "best practices" to include improvements to absentee voting procedures, this *Guide*, and other FVAP materials. See Section 24 and 25 of this chapter for more information

16. FVAP Submits Reports to the President and Congress

The FVAP conducts periodic surveys of voting assistance personnel and is required by law to submit a report to the President and Congress. The surveys are designed to

measure the effectiveness of the voting assistance program and the availability and use of informational support materials at any given time during the election year. Voting assistance personnel are encouraged to discuss all aspects of the program with the FVAP at any time.

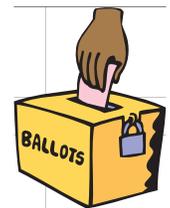

17. Other Ways to Obtain a Ballot and Vote

A. Proxy Procedure

Several states and territories allow individuals other than the prospective voter to act on the voter's behalf to register the voter and/or request an absentee ballot for the citizen; however, under no circumstance may a person cast a ballot on behalf of another person. Refer to the appropriate state or territory in Chapter 3 for more details.

B. In Person at the Polls

A citizen who is able to vote in person in his or her own district of legal residence should take advantage of the opportunity. Voting in person does not necessarily preclude registering by absentee process.

In some states, applying for an absentee ballot will not automatically rule out voting at the polls. A few states even permit someone who has already marked and returned an absentee ballot to vote in person, thereby nullifying the absentee ballot.

18. Providing Information on Candidates

Voting motivation programs should encourage people to vote and inform them that voting is a civic responsibility rather than a legal obligation.

It is the Voting Assistance Officer's responsibility to inform the citizen about the procedures to follow in order to vote. It is the citizen's responsibility to obtain information about candidates and issues.

Some of the best sources for citizens to obtain such information are hometown newspapers, newspapers with national circulation, magazines, radio and television, and information obtained directly from the political party and campaign committee offices supporting a particular political candidate or proposal. The DoD Voting Information Center (VIC) provides information on candidates. Citizens may call **1-800-438-VOTE (8683)**, **(703) 588-1343** or **DSN (military) 425-1343** to reach the DoD VIC. Overseas citizens may call the VIC by using the

international toll-free numbers listed on the inside back cover and on the FVAP website at www.fvap.gov.

Other sources of information about candidates for members of the military and their family members include Armed Forces Radio and Television Service (AFRTS), *Stars and Stripes*, the American Forces Information Service (AFIS), as well as newspaper articles and features distributed for military editors and used by the American Forces Press and Publications Service (AFPPS).

English language newspapers and periodicals published overseas also include information about candidates and issues. Many of the above sources are also available on the world wide web.

19. VAO Restrictions on Distributing Partisan Information

The VAO must not provide partisan information on candidates and issues to civilians, military personnel or their family members, but may refer citizens to the above sources of information. Further, VAOs are not to distribute any literature from candidates or partisan organizations.

Organizations become partisan when they endorse or imply endorsement of candidates or identify with issues in a campaign. Military VAOs should contact the FVAP and also obtain the Commanding Officer's approval before distributing literature from any outside organization.

The Department of Defense's policy regarding the maintenance of political neutrality is stated in DoD Directive 5410.18:

"The Armed Forces and the Defense Establishment belong to all the American people... Department of Defense support of and participation in events and activities in the civilian domain will reflect that fact... [and such] support and participation must not directly or indirectly (a) endorse or selectively benefit or favor, or appear to endorse or selectively benefit or favor any private individual, group, corporation (whether profit or nonprofit), religion, sect or sectarian group, quasi-religious or ideological movement, fraternal organization, political organization, or commercial venture, or (b) be associated with the solicitation of votes in a political election."

Military VAOs should refer to DoD 1344.10 "Political Activities by Members of the Armed Forces on Active Duty". Overseas citizens VAOs should refer to the Hatch Act, Title 5 U.S.C. Sec. 7321.

20. How to Implement a Voting Assistance Plan

The Military and Embassy/Consulate Voting Assistance Officer (VAO) has the important responsibility of providing accurate, nonpartisan voting information and assistance to the individual attempting to register and vote. The organization and effectiveness of a VAO may very well determine whether a citizen will understand how to participate in the process. Each VAO can accomplish his/her voting assistance plan by holding informational classes and informal discussions concerning voting and the responsibilities of a concerned citizenry.

When developing a local voting assistance plan, the VAO should consider the following:

- Visit the FVAP's website at www.fvap.gov.
- Help U.S. citizens to register and obtain a ballot.
- Encourage them to learn about the candidates, the issues and to vote.
- Distribute all voting materials and information in a timely manner.
- Make certain you have at least four FPCAs for each person for whom you are responsible. This will provide a sufficient supply to cover eligible dependants, change of address forms, deployments and new arrivals to your section of responsibility.
- Make certain you have at least one FWAB for each person you are responsible for.
- Hold a voting information briefing or voter registration drive for the citizens you are responsible for assisting.
- Display the 2004 Election Dates poster, and put your name, telephone number and e-mail address on the bottom. In addition, display motivational posters.
- Get the FVAP voting news releases and distribute this information widely. To subscribe, e-mail request to vote@fvap.ncr.gov.
- Make use of the valuable information available to you in the *Voting Information News* newsletter and make it available to others. Extract information from this newsletter and make it available to your local media for coverage. FVAP highly encourages the duplication and redistribution of the newsletter. To subscribe, e-mail request to vote@fvap.ncr.gov.
- Include the youth (18 - 25 age group) in your voting assistance program. This group has statistically shown lower voter participation. Don't forget 3rd shift workers. If you are an overseas VAO, include American Organizations, associations and corporations in your absentee voting activities. If you are a military VAO, include tenant organizations.
- Encourage use of the DoD Voting Information Center.

- Download, duplicate and circulate copies of the FVAP pamphlet titled, *How To Do It! Vote Absentee* from the FVAP website.
- Utilize the motivational Get Out The Vote Public Service Announcements in print, audio and video format in local media.
- Use the Ombudsman Service when necessary. If you cannot find answers locally or through your Services Voting Action Officer, contact FVAP.
- Review the military or civilian on-line training at www.fvap.gov for advice and suggestions.

21. The Scope of a Civilian Voting Assistance Plan

Many U.S. citizen organizations and corporations outside the U.S. have designated a Voting Assistance Officer (VAO) for a two-year tenure. This VAO will serve as the organization's primary point of contact to work with the FVAP to carry out an effective voting assistance effort for the 2004-05 election years, and if so designated, for future election years.

The FVAP will provide the necessary materials for organizing and directing the organization's voting assistance program. Those materials include: a 2004-05 Voting Action and Information Support Plan outlining a schedule of action for the election year and a Voting Assistance Kit which contains all the essential materials for an effective voting assistance program.

VAOs will also receive FVAP voting news releases and the monthly *Voting Information News* newsletter.

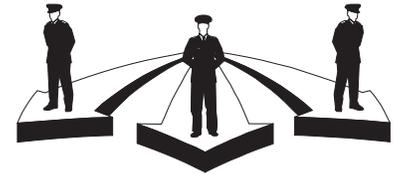

VAO's responsibilities will include:

- Expanding citizen outreach within the local community to include direct contact with civic groups, American Chambers of Commerce, colleges and universities, and similar organizations of U.S. citizens.
- Serving as coordinator for the FVAP's on-site workshops.
- Planning and ensuring that overseas U.S. citizens, including eligible family members, are informed of current registration and voting procedures and the importance of participating in the democratic process.
- Conducting non-partisan voter registration drives. Overseas Citizens Voter's Week, July 4 through July 10, 2004 is an excellent time to get the word out, as U.S. citizens gather for Independence Day activities.
- Ensuring in-hand delivery of FPCAs to overseas U.S. citizens not later than August 15, 2004.

- Submit a summary to the Director, FVAP, not later than December 2004, on the voter outreach efforts conducted during the election year, "best practices" found and lessons learned.

22. The Scope of a Military Installation Voting Assistance Plan

Each Commanding Officer (CO) has the overall responsibility for the operation of a successful voting assistance program within the command.

Usually, the CO will appoint an officer to act as Voting Assistance Officer (VAO) to organize and direct the command's voting assistance program. The command's VAO will ensure that each subordinate unit and organization appoints, on orders or in writing, an officer, senior civilian employee or non-commissioned officer to organize and direct voting assistance activities within each unit or organization.

COs should conduct orientation briefings with unit VAOs prior to the start of primary elections. These briefings are intended to prepare unit VAOs for their duties and to ensure that voting assistance materials are on hand prior to the commencement of the 2004-05 command voting assistance program.

A minimum of four FPCAs and one FWAB should be available for each person, including unit personnel and eligible family members.

In addition, the CO is required to plan and ensure that briefings of military personnel, their eligible family members, and civilian employees in overseas locations, and their eligible family members, are scheduled at the installation and/or unit level. The briefings should inform all these individuals of current registration and voting procedures and the importance of voting.

The following officials are involved in carrying out the voting assistance program:

- **Commanding Officer** — The CO must emphasize the voting program in staff meetings, other command meetings, briefings and daily communications with those on the installation. He or she must communicate support of the program and encourage staff participation and involvement throughout the command.
- **Installation Voting Assistance Officer** — IVAOs should act as a focal point on military installations in coordinating voting assistance support on their installation. IVAOs should maintain a roster of all unit VAOs on the installation (including tenant

organizations), establish communications with these VAOs and provide necessary materials and support.

■ **Unit Voting Assistance Officers**

— VAOs have an opportunity to personalize a command's voting assistance efforts. Success of a voting assistance program in any election year may well depend upon the availability and quality of service that unit Voting Assistance Officers provide their personnel and their family members.

■ **Legal Assistance Officer** — Legal questions which cannot be answered by the unit VAO should be referred to the command's legal staff.

■ **Public Affairs/Information Officer** — This officer ensures that voting information is included in installation or unit publications such as newspapers, newsletters, daily bulletins, other printed media, where applicable, and Armed Forces Radio and Television Service. The Public Affairs Officer and the VAO should coordinate the activities for Armed Forces Voters Week (September 3-11, 2004).

■ **Inspector General (IG)** — The IG, acting on behalf of the CO, has an interest in any program which concerns the rights of personnel and family members and helps to ensure that VAOs are trained and equipped to give assistance to citizens in the command. The IG periodically reviews organization voting assistance programs to ensure compliance with DoD and Service directives and regulations.

■ **Chaplain** — As a respected member and leader in the military community, the chaplain can be of help in disseminating reminders and information to members of the community.

■ **Publications, Supply or Distribution Officer** — This officer ensures that installation and tenant unit VAOs receive copies of this *Guide* and other voting program informational materials. These materials include a minimum of four FPCAs, and one FWAB, for each member of the unit or command and their eligible family members.

In addition to normal distribution of informational material, the FVAP may disseminate additional voting materials throughout the election year. It is essential that distribution officers notify VAOs immediately upon receipt of these items.

■ **Officers-in-Charge** — VAOs should contact Officers in charge of exchanges, commissaries, special services activities, medical and dental facilities, education centers, family centers, etc., to coordinate the display of voting information materials and for participation in Armed Forces Voters Week activities (September 3-11, 2004).

■ **Installation Telephone Supervisor** — The VAO should ensure that the installation Voting Assistance

Officer's name, location, and phone number are known to the telephone operators so that inquiries regarding voting assistance may be referred to the appropriate person.

■ In addition to these officials, a resourceful VAO will make use of the many organizations that perform local service functions such as:

Spouses' Club — This organization performs many service functions for the community and is always responsive to worthy community projects.

Boy/Girl Scouts, and Other Youth Groups — These organizations carry out numerous citizenship-oriented service projects. Contact the installation officer who serves as the local scout leader.

Veterans and Service Organizations — The Veterans of Foreign Wars, the American Legion, the Non-commissioned Officers Association and the League of Women Voters are typical of organizations that perform important community services and are eager to be of assistance. Contact local leaders.

23. Problems Experienced in Processing FPCAs by Local Election Officials

Redesign of the FPCA in 1995 and subsequent educational and training efforts have substantially reduced the incidence of FPCA processing problems encountered by local election officials. The most common issues cited by Local Election Officials are:

- No signature
- No, or inadequate, voting residence address
- Illegible or inadequate mailing address (i.e., where the ballot is to be sent)
- Application sent to the incorrect jurisdiction
- Failure to indicate Party preference for primary elections
- Illegible handwriting
- FPCA received too late
- Required areas of FPCA not complete
- No Date-of-Birth given
- FPCA not witnessed or notarized (where required)

VAOs can help reduce these processing problems by advising citizens about the proper way to fill out an FPCA. Local Election Officials must determine the citizen's eligibility to vote based solely on information provided on the FPCA, and if there are questions or additional information is required, they need enough time and the

correct contact information (e-mail, telephone, fax or mailing address) to resolve the issue.

24. Collecting and Sharing Best Practices and Lessons Learned

The FVAP Best Practices Program supports developing, collecting, sharing and implementing of Voting Assistance Officer's (VAOs) best practices and lessons learned worldwide. The objective of the program is to enhance lines of communication among VAOs at all levels to facilitate global sharing of best practices and lessons learned

while enabling tailored local best practices based on organizational voting assistance programs and lessons learned from successes and mistakes.

As you provide absentee voting assistance, look at your voting assistance program, processes and procedures. You will find that there are some things you are doing very well with excellent results that others could use to improve awareness and participation among the UOCAVA citizens you assist.

The Best Practices Report from each of the Services are displayed on the FVAP website. Lessons learned are disseminated through the *Voting Information News* newsletter.

25. Guidance for Submitting Best Practices and Lessons Learned

VAO sources of information used to generate best practices and lessons learned may include, but are not limited to, the following:

- Personal Experiences as a VAO
- Assessments, audits and appraisals
- Training evaluations
- Operational Readiness Reviews
- Critiques, analysis and investigations
- Process improvement initiatives
- VAO training
- Voting activities such as registration drives

A best practice or lessons learned should contain five basic elements:

- A clear statement of the practice or lesson
- A background summary of how the practice was developed or the lesson was learned
- Benefits of using the practice or lesson, and suggestion how the practice or lesson may be used in the future
- Contact information for additional detail
- Key entry information to aid review (see FVAP website)

Uniformed Services Installation and U.S. embassies and consulates' VAOs should submit best practices and lessons learned through e-mail to their Service Voting Action Officer (SVAO). Overseas citizen organization VAOs and individuals may submit their best practices directly to the FVAP via e-mail, vote@fvap.ncr.gov. For additional information on guidelines for submitting best practices and lessons learned, please visit the FVAP website at www.fvap.gov.

(Continued) INFORMATION. you must fax this form ONLY to one of the following numbers: (800) 368-8683 or (703) 693-5527 or DSN (military) 223-5527. If your state does NOT allow you to submit this form by fax, DO NOT transmit this form by fax, as it will not be processed.</p> <p>6. POLITICAL PARTY AFFILIATION. This information is required by most states in order to vote in primary elections. In most states, if you do not complete this section, you will not be sent a ballot for primary elections. Consult your individual state section in the Voting Assistance Guide for more specific information regarding your state's policy. Political party affiliation is not required if you live in Alaska (unless you are voting in a Republican party primary), American Samoa, Guam, Hawaii, Idaho, Michigan, Minnesota, Montana, North Dakota, Vermont, Washington or Wisconsin, in order to vote in a primary election. You need not complete this section if your voting residence is in those states. If you want to indicate no affiliation or enrollment in a political party, write "unaffiliated."</p> <p>7. REMARKS. Provide any information which may assist local election officials in approving this application, such as maiden name, name and telephone number of a local contact person, etc. If you are requesting the special state write-in ballot, indicate here the reason you are requesting the special state write-in ballot, i.e. you are in an isolated area with sporadic mail service, submarine duty, etc. In Colorado, you must indicate if you are a native born or naturalized citizen of the United States.</p> <p>8. AFFIRMATION BY APPLICANT. Place an X in only one block: 8a., b., c., or d. In most states, marking a., b. or c will get you a full ballot. Marking b. or c., generally means that at some future time you intend to reside again in that state. Marking block d. generally means that you were a resident of the state before departing the U.S., and your intent to return at some time in the future is uncertain. Marking block d. applies for a Federal ballot only (if one is printed by the state). Federal law provides that no tax liability may be imposed based on exercising your right to vote in Federal elections. If you are a civilian citizen residing outside the U.S. and wish to avoid classifying yourself as a state resident for tax purposes, you should mark block 8d. If the state sends a full ballot because it does not print a separate Federal ballot, you may vote the full ballot.</p> <p><small>(fold to outside)</small></p>		<p>SOURCES OF ASSISTANCE</p> <p>Assistance and information regarding the use and completion of this form, as well as specific state information may be obtained from military Unit Voting Assistance Officers, U.S. Embassy and Consular Voting Assistance Officers, or organizations of U.S. citizens overseas.</p> <p>The Voting Assistance Guide contains voting information on a state-by-state basis for those eligible to use this form. In an area with no street names, indicate route name and number and box number. Also provide any additional information necessary to physically describe your residence location. This voting residence address must be the same as the voting residence on the application you previously submitted for your regular absentee ballot.

CURRENT COMPLETE MILITARY OR OVERSEAS ADDRESS.

"Senator" means U.S. Senator; "Representative" means U.S. Congressman or Congresswoman. See *Voting Assistance Guide* for Special Provisions implemented by your state, and possible use of "ADDENDUM" section.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** The last four digits of your Social Security number or your California Driver’s License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- B** Do not leave blank. Enter “N/A” if not applicable or if you are a first time voter.
- C** Provide the complete street address of your California voting residence. A post office box is not acceptable. If your address includes a rural route, describe its location. For example: “on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station.” This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.
- D** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.

- E** Print the name of the political party (i.e., Democratic, Republican, American Independent, Green, Libertarian, Natural Law or Peace and Freedom), write “Decline to State,” or write in the name of a non-qualified political body. If you do not complete Item 6, you will be registered “Decline to State.” California law allows voters who “decline to state” an affiliation with a qualified political party or who affiliate with a non-qualified political party to vote in the primary election of any qualified political party that files a notice with the Secretary of State allowing them to do so. Visit www.ss.ca.gov to learn which political parties are allowing nonaffiliated voters to participate in their primary election. If you are currently registered and want to make changes, you must submit a completed FPCA to your local elections official not later than 15 days before the election.
- F** Check ONE box.
- G** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** The last four digits of your Social Security number OR your Connecticut Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- B** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- C** Provide the complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the town or township where you claim legal voting residence.
- D** Print the complete address where you want your ballot sent — usually your current mailing address. Your current

mailing address must be different from the address you provided in Item 3.

E If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently enrolled in one political party and change to another political party, you will have rights in no party for three months from the date of filing your change of political party.

F Check ONE box.

G You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Connecticut and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

To register and request an absentee ballot, send your completed FPCA to the local Town Clerk so that it arrives not later than 5 p.m. on the day before the election. You may use the same FPCA to register and apply for an absentee ballot.

If you are already registered and wish to request an absentee ballot only, send your completed FPCA to the local Town Clerk so that it arrives anytime before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local election office before the close of polls on election day.

The local election official will send you a blank write-in absentee ballot which includes a list of all candidates and questions on the ballot approximately 30 days before the primary election and approximately 45 days before the general election.

Regular absentee ballots are available 21 days before the primary and 31 days before the general election.

If you are outside the U.S. and you have not received your state ballot in a timely manner, you may also use the **Federal Write-In Absentee Ballot**. See instructions below.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Connecticut allows you to send the FPCA for absentee ballot request by fax. If you are using the FPCA to register, you may fax the FPCA but you must also mail the original FPCA separately to the local Town Clerk

so that it arrives before 5:00 p.m. on the day before the election.

- Connecticut does not allow you to receive the blank ballot by fax.
- Connecticut does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Special Write-In Absentee Ballot

A state special blank write-in absentee ballot is available beginning 90 days before an election to Armed Forces members and their spouses and dependents accompanying them who, due to military contingencies, are unable to follow the regular absentee application process.

Vote this ballot by writing in the names of specific candidates and their offices.

Use the FPCA to request this state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.H. If no labels are available, write in Item 7: “Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot.”

You may request the state special write-in ballot at any time and it is available 90 days before the general election.

G. Federal Write-In Absentee Ballot

Connecticut is not required to accept the FWAB, but in 1996 began accepting it **only for federal elections**.

For further instructions on the FWAB, see instructions in Chapter 2, page 12.

H. Application for Ballot by Proxy

If you are a member of the Armed Forces or merchant marine, or the spouse or dependent of a member residing where the member is stationed, anyone may ask the Town Clerk to send you registration materials and/or a ballot.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

Notify Your Local Election Official About Your Current Mailing Address

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Connecticut and overseas electors. The term “overseas elector” means a U.S. citizen who resides outside the United States and (but for such residence) would be qualified to vote in Connecticut.

- Connecticut residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)

B. Registering and Requesting an Absentee Ballot

Overseas electors are not required to register.

If you are an unregistered citizen temporarily outside the U.S., you may register and request an absentee ballot by sending your completed FPCA to the local Town Clerk so that it arrives not later than 5 p.m. on the day before the election. You may use the same FPCA to register and apply for an absentee ballot.

If you are already registered, or you are an overseas elector (not required to register) and wish to request an absentee ballot only, send your completed FPCA to the local Town Clerk so that it arrives anytime before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local election office before the close of polls on election day.

Local election officials mail a blank write-in absentee ballot to registered persons temporarily residing outside the U.S. approximately 30 days before the primary and approximately 45 days before the general election. Local election officials mail ballots to overseas electors 30 days before the primary and 45 days before the general election.

If you have not received your state ballot in a timely manner, you may also use the **Federal Write-In Absentee Ballot**. See instructions below.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- If you are a Connecticut resident temporarily residing outside the U.S., you may send the FPCA for absentee ballot request by fax. If you are using the FPCA to

register, you may fax your FPCA, but you must also mail the original FPCA separately to the local Town Clerk so that it arrives before 5:00 p.m. on the day before the election.

- If you are an overseas elector (not required to register), you may send the FPCA for absentee ballot request by fax, but you must also mail the original FPCA to the local Town Clerk either separately or with the voted ballot so that it arrives before the close of polls on election day, in order for the ballot to be counted.
- Connecticut does not allow you to receive the blank ballot by fax.
- Connecticut does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527

If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

B Do not leave blank. Enter “N/A” if not applicable or if you are a first time voter.

C Provide the complete street address of your Delaware voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: “on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station.” This address must be different from the one provided in Item 4 and must in be the county where you claim legal voting residence.

D Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address you provided in Item 3.

The period for changing political party affiliation ends beginning the 4th Friday in September in the year before a Presidential Election and ends the Sunday following the Presidential Primary. The FPCA must be signed and dated for it to be processed by the local election official.

F Provide an e-mail address that you can access and/or a phone number at which you can be reached for use in contacting you in a timely manner in the event that there is a question regarding your application

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the **close of polls on election day**. If you are voting from outside the U.S., the Federal portion of your general election or presidential preference primary ballot will be counted if voted by the day of the election and received within **10 days following the election**. There is a presumption that the ballot was mailed on the date stated and witnessed on the outside of the return envelope, regardless of the absence of a postmark or the existence of a postmark date that is later than election day.

Local election officials will mail your absentee ballot to you approximately 35 days before a primary election. They also will mail out an advance ballot 45 days before the general election. Regular absentee ballots for the general election are sent out as soon as they are available. Always vote and return each ballot regardless of when you receive it.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: If you have never registered to vote in the Florida county where you wish to register or if you had been registered but failed to re-register, you must read the oath under Application Instructions, Item H. before signing.

Ballot Return Envelope: When returning a voted ballot, the certificate on the return envelope must be witnessed by one person over the age of 18. The name and address of the witness are required on the certificate.

E. Electronic Transmission of FPCAs and Ballots

- Florida allows overseas citizens to send the FPCA for ballot request by fax. After faxing, submit the FPCA by mail.

Please refer to Appendix C for specific instructions when transmitting election materials electronically.

Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

- Florida allows overseas citizens to receive the blank ballot by fax or e-mail.

- Florida allows overseas Uniformed Services members to return the voted ballot to the fax number provided by the local Supervisor of Elections.

F. State Write-In Absentee Ballot

An overseas voter may request a state write-in absentee ballot not earlier than 180 days before a general election from the Supervisor of Elections in the county of registration. The voter will need to state that due to contingencies that preclude normal mail delivery, the voter cannot vote an absentee ballot during the normal absentee voting period. State write-in absentee ballots shall be available 90 to 180 days prior to a general election.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. In-Person Voting

You may vote in-person even after requesting an absentee ballot. You must hand in the unvoted absentee ballot or swear that it was not voted.

B. Bars to Registration and Voting

Persons convicted of a felony and whose civil rights have not been restored or persons adjudicated as mentally incapacitated with respect to voting and who have not had their right to vote restored may not register or vote.

C. Cancellation of Registration

Periodically, supervisors of elections will send address confirmation final notices to voters where the post office has indicated that these voters have moved outside the supervisor’s county or left no forwarding address. All voters who have been mailed an address confirmation final notice and who do not return the form within 30 days will be placed on the inactive voter registration list. Voters on the inactive list can be reinstated by updating their voter registration, appearing to vote, or requesting an absentee ballot. However, after two general elections for Federal office from the date the final notice was sent, all inactive voters who show no activity will be removed from the registration records and must register to regain their voting privilege.

D. Action on Registration Requests

Registered voters are sent an identification card.

E. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Florida shall provide you with the

reason(s) for the rejection. Persons denied registration should consult a legal assistance officer or civilian counsel.

F. Late Registration

An individual or accompanying family member who has been discharged or separated from the Uniformed Services, merchant marine, or from employment outside the territorial limits of the United States may register in the office of the Supervisor of Elections, after the books close for an election, until 5 p.m. on the Friday before that election.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** You are requested to fill out this box.
- B** You are requested to fill out this box. The Department of Justice requests this data in their enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list. AI=American Indian or Alaskan Native; AP=Asian or Pacific Islander not Native Hawaiian; B=Black, not of Hispanic Origin; H=Hispanic; M=Multi-racial; NH=Native Hawaiian; W=White, not of Hispanic Origin; O=Other.
- C** Your Social Security number is required.
- D** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.
- F** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.
- G** **If you do not list a party affiliation, you cannot vote in primary elections.** You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "nonpartisan only" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to vote in a primary election, you must submit a completed FPCA which includes your political party selection or "nonpartisan" selection to the local election official. A separate request is required for an absentee ballot for special elections. Unregistered persons must submit the FPCA not later than the fifth Monday before the election. No absentee ballot shall be mailed on the day prior to an election or primary election. Timeliness in submitting the FPCA is critical to receipt and return of an absentee ballot.

A Your Illinois Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

B Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

C Provide the complete street address of your Illinois voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.

D Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.

E If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

A Provide your Indiana driver's license number as issued by the Indiana Bureau of Motor Vehicles. If you do not have an Indiana driver's license, provide the last four digits of your social security number. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

B Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

C Provide the complete street address of your Indiana voting residence. A post office box is not sufficient. If your address includes a rural route or star route or if you were a homeless or mobile voter, describe the location of this address in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.

D Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address you provided in Item 3.

E If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot. (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if you request absentee ballots only for general elections, school board elections or public questions voted the same day as the primary election. If you are currently registered and want to change your political party choice or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to the local election official not later than 29 days before the election. Under some circumstances, your completed FPCA including a new political party choice may be processed if it arrives not later than 10 days before the primary election.

F Check ONE box.

G You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

If no labels are available, write in Item 7: “To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot.”

The state special write-in ballot must be requested not earlier than 90 days before the general election. Vote the ballot by writing in the names of specific candidates.

The instructions described in Chapter 2 of this Guide remain the same, except that Iowa also allows the FWAB to be used to vote in state and Federal primaries and in general and special elections to fill vacancies in the U.S. House of Representatives and Iowa Legislature.

Iowa also allows the FWAB return envelope to be used as an application for registration if the person is otherwise eligible to vote in Iowa.

Local election officials mail ballots approximately 40 days before primary and general elections. For other elections, ballots are mailed later but will be sent as soon as they are ready.

The affidavit on the ballot return envelope is the registration form. You will be permanently registered when you return the voted ballot, if you are not already registered.

You may also use the **Federal Write-In Absentee Ballot**. See instructions below.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Iowa allows you to send the FPCA for registration and absentee ballot request by fax. You must submit the original FPCA by mail.
- Iowa does not allow you to receive the blank ballot by fax.
- Iowa does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Application for Registration and Ballot by Proxy

Within 70 days of the general election, your spouse, parent, parent-in-law, adult brother, adult sister, or adult child who resides in your county of voting residence may request registration and an absentee ballot for you. Forms are available from the County Auditors and the Secretary of State.

A handwritten request may be sent including the name and signature of the person requesting a ballot, Iowa address, name or date of election for which the ballot is requested (or for all ballots in a calendar year) and other information required to determine the correct ballot for the voter.

G. Special Write-In Absentee Ballot

Iowa provides a state special write-in absentee ballot available 90 days before the general election if you are overseas and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. This special ballot is not available for the primary election.

The FPCA may be used to request this state special write-in ballot. In Item 7 of the FPCA, place one of the state special

write-in labels from Section III.H. If no labels are available, write in Item 7: “To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot.”

The state special write-in ballot must be requested not earlier than 90 days before the general election. Vote the ballot by writing in the names of specific candidates.

H. Federal Write-In Absentee Ballot

If you did not receive your state ballot in a timely manner, use the Federal Write-In Absentee Ballot (FWAB).

Iowa has expanded the use of the FWAB. The instructions described in Chapter 2 of this Guide remain the same, except that Iowa also allows the FWAB to be used to vote in state and Federal primaries and in general and special elections to fill vacancies in the U.S. House of Representatives and Iowa Legislature.

Iowa also allows the FWAB return envelope to be used as an application for registration if the person is otherwise eligible to vote in Iowa.

For further instructions on the FWAB see Chapter 2, page 12.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

Persons convicted of a felony or declared mentally incompetent to vote may not register or vote, unless the voting rights are restored.

B. Cancellation of Registration

Registration is canceled after name is on the inactive list for two successive general elections. A registration becomes inactive if the U.S. Postal Service indicates the voter has moved.

C. Action on Registration Requests

The local election official will send an acknowledgment to the applicant at the mailing address provided on the FPCA.

D. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, Iowa shall provide you with the reason(s) for the rejection. Persons denied registration or ballot should contact the Iowa Secretary of State for additional information.

E. Voting by Citizens Who Have Never Lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Iowa voter, then that person is eligible to register and vote where his or her parent is a qualified voter.

F. Late Registration

Members of the Armed Forces or merchant marine who have been discharged within thirty days of an election may register and vote in that election by presenting the precinct election official with his or her discharge papers.

C Provide the complete street address of your Kentucky voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: “on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station.” This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.

D Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address you provided in Item 3.

E Kentucky has closed party primary elections. **You must register DEMOCRAT or REPUBLICAN to vote in that party’s May primary election.** If you register as

OTHER, you cannot vote in Democratic or Republican Party primaries but can vote in nonpartisan primaries. All eligible voters can vote in the November general election.

In order to change party affiliation, you must submit a completed FPCA (which includes your new political party affiliation) to the local election official by December 31 in order to be eligible to vote in your new party’s May primary.

For example, if you voted in the Democratic primary in 2004 and want to vote in the Republican primary in 2005, the change in political party must occur by December 31, 2004. If you vote in the 2005 Republican primary and want to vote in the 2006 Democratic primary, you must change political party affiliation by December 31, 2005.

F Check ONE box.

G You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** Provide your Maine Driver’s License number; or if you do not have a Maine Driver’s License, the last four digits of your Social Security Number; or write “NONE” if you don’t have either identification. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- B** Provide the name of the municipality and state where you were registered to vote before you registered at your current Maine voting residence. This address must be different from the one in Item 3. If you have not registered to vote before, write “none”.
- C** Provide the complete street address (street name and number) of your Maine voting residence. A post office box is not sufficient. This address must be within the city or township where you claim legal voting residence and (in most cases) will be different from the address you provide in Item 4.

- D** Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address provided in Item 3.
- E** **If you do not list a party affiliation, you cannot vote in primary elections.** You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write “none” in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation, the FPCA card must be received by your local election official no later than 15 days before the election. If you are currently registered and have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA to the local election official any time before the election.
- F** Check ONE box.
- G** Sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Maine and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register and/or request an absentee ballot, send a completed FPCA to the local registration official any time before the election.

If you are already registered and only wish to request an absentee ballot, the municipal clerk must receive your FPCA or a written application requesting a ballot any time before the election.

If you send a written application, you must provide your name as registered, your voting residence address, and the address to which the absentee ballot should be sent. The written application must be signed. Registration applications by mail or by 3rd person must be received in the registrar's office by the close of business on the 10th business day before election day.

An absentee voter who is not registered may submit a registration application after the 10th business day, but if the municipal registrar is not satisfied as to the voter's qualifications, the registrar shall place the person's name on the voting list and challenge the absentee ballot. A challenged ballot is counted, unless there is a recount where the number of challenged ballots is sufficient to affect the election. In that event, each challenge is investigated and the corresponding ballot may not be counted.

Although the municipal registrar will accept a completed FPCA or written request at any time before the election, you should submit it to the registrar in time for you to receive, vote and return the absentee ballot by mail to the municipality.

C. Casting Your Vote

Ballot Return Deadline: The municipality must receive your absentee ballot by **8 PM on election day** in order for your ballot to be counted.

Local municipal clerks are provided with absentee ballots approximately 45 days before an election for Federal office, and approximately 30 days before a State election. Once the municipal clerks receive their supply of absentee ballots for an election, they must mail out the ballots immediately upon receipt of a ballot request.

Members of the Armed Forces must seal his or her completed ballot in its return envelope and sign a certification as to its authenticity on the envelope

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: No notary or witness required.

Ballot Return Envelope: If the voter receives assistance in reading and/or marking the ballot, the voter must have the ballot return envelope signed by the aide and witnessed by one other individual. If no assistance is received, the ballot return envelope does not need to be notarized or witnessed.

If your ballot is received through a designated 3rd party, see I.F. for additional notary/witness requirements.

E. Electronic Transmission of FPCAs and Ballots

- Maine allows you to send the FPCA for registration and/or absentee ballot request by fax. You may also send a written application requesting an absentee ballot by fax. You must also submit the original FPCA or written application by mail when requesting registration and a ballot.
- In certain emergency situations, such as combat situations, Maine may allow you to receive the blank ballot by fax.
- In certain emergency situations, such as combat situations, Maine may allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527

Additional international toll-free fax numbers are listed on the inside back cover.

Notify Your Local Election Official About Your Current Mailing Address

F. Application for Ballot by Proxy

Your immediate family member (spouse, parent, child, sister, brother, stepparent, stepchild, stepsister, stepbrother, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, grandchild, step-grandparent, step-grandchild, guardian or former guardian) may make a written request for an absentee ballot on your behalf. The request may be made to the municipal clerk either in person or by fax, but must be signed by the immediate family member and must indicate the family relationship. The clerk may either mail the ballot directly to you, or may issue the ballot to the immediate family member, who must either mail or deliver the ballot to you.

You may designate a third person (someone other than the municipal clerk or an immediate family member) to receive the ballot on your behalf by submitting a signed application or written request, by mail or by fax, to the municipal clerk. The clerk must issue the ballot only to the third person you have designated in your request, who must then deliver the ballot to you. The voter must have the ballot return envelope signed by a notary public, a municipal clerk, a clerk of courts, or two other individuals (one of whom may be the ballot carrier).

G. Request for Ballot by Telephone

Maine allows registered voters to request an absentee ballot by telephone. The clerk shall ask the voter for information required on the application and fill in the application with that information. The clerk will then verify that it is the voter who is requesting the ballot by making the voter confirm the voter's residence and date of birth. (Only the voter may request an absentee ballot by telephone.) The clerk shall mail the ballot directly to the voter at the mailing address stated in the application. The voter returns the ballot by mail or in person directly to the clerk.

H. Blank Absentee Ballot

Maine provides a state "blank absentee ballot," listing all offices to be selected with a space after each office to write in the voter's preference. The blank absentee ballot is available 3 months before a candidate election and can be used by Uniformed Services voters who believe that 30 days will not be sufficient time to receive and return the regular absentee ballot. A blank absentee ballot is not available for referendum elections.

You may use the FPCA to request this state blank absentee ballot. In Item 7 of the FPCA, place one of the state blank absentee ballot labels from Section III.F. If no labels are available, write in Item 7: "I will be unable to vote by regular absentee ballot. I request a blank absentee ballot."

The **Federal Write-In Absentee Ballot (FWAB)** may be used in all elections for Federal office where 3 months is not sufficient time to request and vote a state blank write-in absentee ballot.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Maine and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Maine.

- residents of Maine temporarily residing outside the U.S.
- overseas citizens whose last residence immediately before leaving the U.S. was in Maine.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register and/or request an absentee ballot, send a completed FPCA to the local registration official any time before the election.

If you are already registered and only wish to request an absentee ballot, the municipal clerk must receive your FPCA or a written application requesting a ballot any time before the election.

If you send a written application, you must provide your name as registered, your voting residence address, county, and the address to which the absentee ballot should be sent. The written application must be signed. Registration applications by mail or by 3rd person must be received in the registrar's office by the close of business on the 10th business day before election day.

An absentee voter who is not registered may submit a registration application after the 10th business day, but if the municipal registrar is not satisfied as to the voter's qualifications, the registrar shall place the person's name on the voting list and challenge the absentee ballot. A challenged ballot is counted, unless there is a recount where the number of challenged ballots is sufficient to affect the election. In that event, each challenge is investigated and the corresponding ballot may not be counted.

Although the municipal registrar will accept a completed FPCA or written request at any time before the election, you should submit it to the registrar in time for you to receive, vote and return the absentee ballot by mail to the municipality.

C. Casting Your Vote

Ballot Return Deadline: The municipality must receive your absentee ballot by **8 PM on election day** in order for your ballot to be counted.

Local municipal clerks are provided with absentee ballots approximately 45 days before an election for Federal office, and approximately 30 days before a State election. Once the municipal clerks receive their supply of absentee ballots for an election, they must mail out the ballots immediately upon receipt of a ballot request.

Individuals voting as a civilian outside the U.S. must seal his or her completed ballot in its return envelope and sign a certification as to its authenticity on the envelope.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: No notary or witness required.

Ballot Return Envelope: If the voter receives assistance in reading and/or marking the ballot, the voter must have the ballot return envelope signed by the aide and witnessed by one other individual. If no assistance is received, the ballot return envelope does not need to be notarized or witnessed.

If your ballot is received through a designated 3rd party, see I.F. for notary/witness requirements.

E. Electronic Transmission of FPCAs and Ballots

- Maine allows you to send the FPCA for registration and/or absentee ballot request by fax. You may also send a written application requesting an absentee ballot by fax. You must also submit the original FPCA or written application by mail when requesting registration and a ballot.
- Maine does not allow you to receive the blank ballot by fax.
- Maine does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Application for Ballot by Proxy

Your immediate family member (spouse, parent, child, sister, brother, stepparent, stepchild, stepsister, stepbrother, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, grandchild, step-grandparent, step-grandchild, guardian or former guardian) may make a written request for an absentee ballot on your behalf. The request may be made to the municipal clerk either in person or by fax, but must be signed by the immediate family member and must indicate the family relationship. The clerk may either mail the ballot directly to you, or may issue the ballot to the immediate family member, who must either mail or deliver the ballot to you.

You may designate a third person (someone other than the municipal clerk or an immediate family member) to receive the ballot on your behalf by submitting a signed application or written request, by mail or by fax, to the municipal clerk. The clerk must issue the ballot only to the third person you have designated in your request, who must then deliver the ballot to you. When a third person delivers the ballot to you and/or delivers the voted ballot from you to the clerk, the ballot return envelope must be witnessed and signed by a notary public, a municipal clerk, a clerk of courts or two other individuals (one of whom may be the ballot carrier).

G. Request for Ballot by Telephone

Maine allows registered voters to request an absentee ballot by telephone. The clerk shall ask the voter for information required on the application and fill in the application with that information. The clerk will then verify that it is the voter who is requesting the ballot by making the voter confirm the voter's residence and date of birth. (Only the voter may request an absentee ballot by telephone.) The clerk shall mail the ballot directly to the voter at the mailing address stated in the application. The voter returns the ballot by mail or in person directly to the clerk.

H. Blank Absentee Ballot

Maine provides a state "blank absentee ballot," listing all offices to be selected with a space after each office to write in the voter's preference. The blank absentee ballot is available 3 months before a candidate election and can be used by civilians outside the U.S. who believe that 30 days will not be sufficient time to receive and return the regular absentee ballot. A blank absentee ballot is not available for referendum elections.

You may use the FPCA to request this state blank absentee ballot. In Item 7 of the FPCA, place one of the state blank absentee ballot labels from Section III.F. If no labels are available, write in Item 7: "I will be unable to vote by regular absentee ballot. I request a blank absentee ballot."

The **Federal Write-In Absentee Ballot** (FWAB) may be used in all elections for Federal office where 3 months is not sufficient time to request and vote a state blank write-in absentee ballot.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Cancellation of Registration

Registration is permanent. However, you may have your name removed from the voter list by making a written request to the registrar. In addition, moving from the municipality is grounds for removal from the list upon written confirmation of such a move by the registrant or by the registrar of voters in the registrant's new voting jurisdiction.

B. Action on Registration Requests

All applicants are notified whether or not their registration applications were accepted, rejected, or incomplete.

C. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, Maine shall provide you with the reason(s) for the rejection. Denial of registration can be appealed to the registration appeals board or the municipal officers (whichever is applicable for that municipality). The registration appeals board or municipal officers shall immediately fix a time and date for a prompt hearing. After such hearing, the registration appeals board or municipal officers may affirm, modify or reverse the decision of the registrar of voters. The aggrieved person may appeal this decision to the Superior Court in accordance with Rule 80B of the Rules of Civil Procedure. Consult a legal assistance officer or civilian counsel.

D. Where To Send It

Maine conducts elections for Municipal, State and Federal offices at the municipal level (not at the county or state level as in many other states). To register and simultaneously request an absentee ballot, submit your FPCA to the **Registrar of Voters** in your municipality of voting residence.

If you are already registered and only wish to request an absentee ballot, submit your FPCA to the **Municipal Clerk** in your municipality of voting residence.

Maine has 526 municipal jurisdictions. A partial list of major municipalities follows. A complete list of Municipal Clerks and Registrars, along with addresses and telephone numbers, may be found on the Maine Secretary of State's site on the World Wide Web. The Web site address for the Elections Division is "<http://www.state.me.us/sos/cec/elec/elec.htm>". I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Maryland and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local Board of Elections early every year and whenever you change your mailing address (see Chapter 2).

To register and request an absentee ballot, send a completed FPCA to the local Board of Elections so that it is postmarked not later than the 21st day before the next election (the date on which registration closes).

If you are already registered and only wish to request an absentee ballot, send a completed FPCA or other written correspondence to the local Board of Elections so that it arrives not later than the Tuesday before the election. Any written correspondence must contain your signature, your name and mailing address, any Maryland residential address and your date of birth, and must state that you may be absent from your Maryland county of residence on election day.

C. Casting Your Vote

Ballot Return Deadline: Make sure your voted ballot is postmarked not later than the day before the election. Your voted ballot must arrive at the local Board of Elections by U.S. Postal Service according to the following timetable:

- If mailed from within the U.S. - on or before 4 p.m. on the Wednesday after election day.
- If mailed from outside the U.S. for a gubernatorial primary - on or before 10 a.m. on the second Wednesday after election day.
- If mailed from outside the U.S. for a general or special election or for a Presidential primary - on or before 10 a.m. on the second Friday after election day.

Local election officials mail absentee ballots approximately 30 to 40 days before the election.

You must sign an oath stating your eligibility to vote by absentee ballot when you return a voted absentee ballot.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below in F. and in Chapter 2, page 12.

D. Notary/Witness Requirements

Registration and voting materials need not be notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Maryland allows you to send the FPCA for absentee ballot request by fax. After faxing, submit the FPCA by mail. You may not submit the FPCA for registration by fax.

G. Application for Ballot by Proxy

Until the closing of the polls on election day, a registered voter or the voter's duly authorized agent may apply in person for an absentee ballot at the office of the local Board of Elections if the voter may be absent from the voter's Maryland county of residence on election day.

The application must be made under penalty of perjury and must specify the reason for absentee voting. A qualified applicant may designate an agent to pick up and deliver the absentee ballot. The agent:

- must be at least 18 years old

The following persons may not register or vote:

- An individual who has been convicted of an infamous crime (any felony, treason, perjury, or any crime involving an element of deceit, fraud, or corruption) unless:
 - the individual has been pardoned, or
 - for a first conviction, the individual has completed the sentence imposed, or
 - for a second or later conviction, at least three years have passed since the individual completed the sentence imposed.
- An individual convicted more than once of a crime of violence (unless the individual has been pardoned)
- An individual under guardianship for mental disability
- An individual convicted of buying or selling votes

B. Statewide Voter Registration; Removal From Voter Rolls

Maryland voter registration applies statewide. It is not necessary for a voter who is registered in one Maryland county to re-register when the voter moves to a different Maryland county. However, it is the responsibility of the voter to notify Maryland of any change of address by the deadline to register to vote before an election. If it is apparent that a person has moved out of Maryland entirely, that person can be removed from the voter rolls for failing to provide a current address and then failing to vote in two general elections.

C. Action on FPCA Requests

Local boards of elections perform voter registration and absentee ballot processing. To register or request an absentee ballot, you should contact the board in your Maryland county of residence.

D. Action Upon Denial of Registration or Absentee Ballot Request

If a local Board of Elections denies your voter registration application or absentee ballot request, the local board will provide you with the reason(s) for the rejection. A person denied registration may appeal to the county circuit court. Consult a legal assistance officer or civilian counsel.

To register and/or request an absentee ballot, send a completed FPCA or handwritten letter to the City or Township Clerk so that it arrives not later than the Saturday before the election.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

A The last four digits of your Social Security number are required. If you do not have a Social Security number, your Missouri Driver's License number is required. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

B Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

C Provide the complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county or city where you claim legal voting residence.

D Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.

E **You must request a particular party's ballot to apply for a primary election ballot** (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. If you do not respond to the request for a political party designation, the election authority is authorized to provide that part of the ballot for which no political party designation is required. Political party affiliation is not required if only requesting absentee ballots for general elections.

F Check ONE box.

G You must sign and date the FPCA. When signing, you are sharing or affirming the information is true and correct.

I. UNIFORMED SERVICES

To request an absentee ballot only, send a completed FPCA to the local election official so that it arrives not later than the Wednesday before the election. All applications for absentee ballots received prior to the sixth Tuesday before an election will be stored by the local election official until such time as the applications are processed.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Montana and members of the U.S. Armed Forces, merchant marine, and religious groups or welfare agencies assisting and officially attached to the Armed Forces, their spouses and dependents.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register and request an absentee ballot, send a completed FPCA or Federal Write-In Absentee Ballot (FWAB) to the local County Election Administrator so that it arrives not later than 30 days before the election. You may only use the FWAB if you are outside the U.S. If the registration application is received less than 30 days before the election, the registration application will be processed for the next election.

If you are already registered and only wish to request an absentee ballot, your FPCA must be received by the County Election Administrator by noon on the day before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by **8:00 p.m. on election day.**

Local election officials mail absentee ballots approximately 30 days before elections for Federal office. For other elections, ballots are mailed approximately 20 days before the election.

To access the Montana Voter Information Pamphlet, link to the Montana state election website from www.fvap.gov.

You may also use the **Federal Write-In Absentee Ballot**. See instructions below.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Montana allows you to send the FPCA and FWAB for registration and absentee ballot by fax. After faxing, submit the form by mail.
- Montana allows you to receive the blank ballot by fax.
- Montana allows you to return the voted ballot by fax if your county of voting residence has the facility for voting by fax.

Only the following Montana counties currently have facilities for voting via fax: Big Horn, Cascade, Custer, Flathead, Jefferson, Lincoln, McCone, Missoula, Prairie, Ravalli, Rosebud, Stillwater and Toole. Residents of other Montana counties must use the mail. Check the on-line Guide at www.fvap.gov for updates on counties with faxing facilities.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Federal Write-In Absentee Ballot

If you are overseas, you may vote the Federal Write-In Absentee Ballot (FWAB). The instructions in Chapter 2 of this guide still apply for the FWAB except that the voter does not have to wait until he/she determines that the regular ballot will not be received (condition 3) to use the FWAB.

The FWAB must be received by 8 p.m. on election day. The FWAB will be counted if your request for a regular absentee ballot was received not later than 30 days before the election.

If you receive the regular ballot after returning the voted FWAB, you may also vote and return the regular ballot. If both ballots are received by 8 p.m. on election day, only the regular ballot will be counted.

For further instructions on the FWAB see Chapter 2, page 12.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

A The last four digits of your Social Security number OR your Nebraska Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

B Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

C Provide the complete street address of your Nebraska voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.

D Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.

E You must write the name of your political party affiliation (Democrat, Republican, Libertarian, Nebraska, or

Green (1st Congressional District only)) or write "none" in Item 6 of the FPCA. In Nebraska, Independents (non-partisan registrants) may vote the non-partisan ballot and may also vote in the partisan primary for U.S. Congress and U.S. Senate. An Independent voter may select one recognized party ballot for these two offices. They may not vote in other partisan races. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation, or you are registered as nonpartisan and want to vote in a partisan primary election, you must submit a completed FPCA which includes your new party preference to the local election official not later than the second Friday before the election.

F If you are a married woman who has assumed her husband's surname, write your maiden name here.

G Check ONE box.

H You must sign and date the FPCA. When signing, you are swearing or affirming the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Nebraska and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register, send a completed FPCA to the County Clerk or Election Commissioner so that it arrives not later than 6:00 p.m. on the second Friday (11 days) before the election.

To register and request an absentee ballot and you do not have access to an FPCA, apply in writing for a state registration form and an absentee ballot. You must include your full name, your address in your county of legal voting residence (*not* where you live currently), type of election (primary/general), political party (Democrat, Republican, Libertarian, Nebraska, Green (1st Congressional District only) or Non-partisan) and you must sign the request. Submit this request early enough to request, receive, complete and return the state registration form to the County Clerk or Election Commissioner so that it arrives not later than 6:00 p.m. on the second Friday (11 days) before the election.

If your FPCA, written request or state registration form is received after 6:00 p.m. on the second Friday (11 days) before the election, it will be held until after the election. At that time, your documents will be processed, you will be registered, and a ballot will be issued to you for the next election.

If you are already registered and wish only to request an absentee ballot, send a completed FPCA or written request to the County Clerk or Election Commissioner so that it arrives not later than the Wednesday (6 days) before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the Election Commissioner's or County Clerk's office before the close of polls on election day.

Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

- A** The last four digits of your Social Security number OR your New Hampshire Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- B** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- C** Provide the complete street address of your New Hampshire voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.
- D** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.

- E** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to be received by the local election official not later than 10 days before the election.
- F** Check ONE box.
- G** You must sign and date the FPCA. When signing, you are swearing or affirming the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of New Hampshire and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administrations.

- members of the U.S. Armed Forces or merchant marine and their accompanying spouses and dependents
- civilian employees of the U.S. Government outside the U.S. and their accompanying spouses and dependents
- members of religious or welfare groups attached to and serving with the Armed Forces outside the U.S. and their accompanying spouses and dependents

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

New Hampshire waives your registration.

To request an absentee ballot, the local city or town clerk must receive your FPCA at any time before the election. Remember to allow for sufficient mail transit time.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office by **5 p.m. on election day**.

Local election officials mail ballots approximately 30 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

New Hampshire does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee ballot.

F. Special Write-In Absentee Ballot

New Hampshire provides a state special write-in absentee ballot if you are unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the U.S. and Canada.

Use an FPCA to request this state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.G. If no labels are available, write in Item 7: "I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the United States and Canada. I request a special write-in absentee ballot."

The special write-in ballot is available for the state primary no later than July 15. The special write-in ballot is available for the general election not later than the date of the state primary. Vote this ballot by writing in a party preference or the names of specific candidates.

Instructions continue in Section III. Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of New Hampshire or Federal overseas voters. The term "Federal overseas voter" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in New Hampshire.

- New Hampshire residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- Federal overseas voters (for Federal office ballots only)

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

If you are an unregistered federal overseas voter, the local registrar of voters must receive your FPCA request for

Notify Your Local Election Official About Your Current Mailing Address

registration and an absentee ballot at anytime prior to election day. Remember to allow for sufficient mail transit time. Your name will be added to the registered voter checklist when the registrar of voters receives the affidavit accompanying the absentee ballot.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office by **5 p.m. on election day**.

Local election officials mail ballots approximately 30 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: If you are an unregistered New Hampshire resident temporarily residing outside the U.S., the FPCA is used to request a state registration form. The FPCA must be witnessed.

Ballot Return Envelope: No notary or witness required.

E. Electronic Transmission of FPCAs and Ballots

New Hampshire does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee ballot.

F. Special Write-In Absentee Ballot

New Hampshire provides a state special write-in absentee ballot for federal overseas voters who are unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the U.S. and Canada.

Use an FPCA to request this state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.G. If no labels are available, write in Item 7: “I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the United States and Canada. I request a special write-in absentee ballot.”

The special write-in ballot is available for the state primary no later than July 15. The special write-in ballot is available for the general election not later than the date of the state primary. Vote this ballot by writing in a party preference or the names of specific candidates.

Instruction continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

Persons convicted of a felony may not register or vote until they have completed their sentences.

B. Cancellation of Registration

If you have not voted since 1999, or if you have a question about the validity of your registration, request an application for addition to the checklist as provided in Section II.B. (1) above.

C. Action on Registration Requests

Notice is sent only if a request is denied.

D. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, New Hampshire shall provide you with the reason(s) for the rejection. Persons denied registration may file a complaint in superior court. Consult a legal assistance officer or civilian counsel.

E. Same Day Registration

New Hampshire citizens who are in the state on the day of the election may register to vote at the polling place. They will be required to produce proof of qualifications and must sign an affidavit. They will then be allowed to vote at that election and be registered to vote at subsequent elections.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

A You are requested to fill out this box. This data is requested from some states by the Department of Justice in the enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list for both ethnicity and race. Choices for ethnicity are Hispanic or Latino-of any race (write HL) or Not Hispanic or Latino (write NH). Choices for race: White (W), Black or African American (B), American Indian or Alaska Native (I), Asian (A), Multi-racial (M), Other (O), or Undesignated (U). For example, a person with Hispanic ethnicity who is white would write “HLW” in the space provided.

B The last four digits of your Social Security number OR your North Carolina Driver's License number is required for voter registration. If you do not possess either of these identifications, North Carolina shall assign a number that will serve to identify you for voter registration purposes.

C Though optional when applying for an absentee ballot only, providing your Driver's License number in this blank would be helpful in processing your application.

D Do not leave blank. Enter “N/A” if not applicable or if you are a first time voter.

E Provide the complete street address of your North Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: “on Highway _____, 2 miles past Highway _____,

across the street from the _____ gas station.” This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence. Please note that the local Board of Elections may make a reasonable investigation concerning your residence. Written verification of residency may be required.

F Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.

G **You must register with a party to vote in that party's primary unless that party allows unaffiliated voters to vote in its primary.** If you indicate a political party that is not a qualified party, or indicate no party, you will be listed as “Unaffiliated”. You must write the name of your political party affiliation (Example: Democratic, Republican, Libertarian or other qualified party), “Unaffiliated”, or “None” in Item 6 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections. To change or declare your political party choice, you must complete this section and return the FPCA at least 25 days before the election.

H Check ONE box. Please note: Mental competence is not a requirement to register and vote in North Carolina.

I You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** The last four digits of your Social Security number or your Ohio Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- B** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- C** Provide the complete street address of your Ohio voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.
- D** Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.
- E** If you do not list a party affiliation, you cannot vote in partisan primary elections. You must indicate your political party affiliation when applying for a partisan primary ballot (Example: Democrat, Republican) or "issues only" if you

want to vote questions and issues and not candidates in Item 6 of the FPCA. Political party affiliation is not required if requesting absentee ballots for non-partisan primary and general elections. If you voted in a primary election within the last two calendar years and you now want to change your political party choice or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your political party affiliation to the local election official. If you are changing political party affiliation, you will receive, in addition to your absentee ballot, a state affidavit form which must be completed and returned with your voted ballot.

- F** Fill in the length of time you resided in Ohio immediately before leaving Ohio or leaving to be near a service member. ("I was an Ohio resident for _____.")
- G** Check ONE box.
- H** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

It's Never Too Late To Start Voting! Start Now!

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Pennsylvania and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your County Board of Elections early every year and whenever you change your mailing address (see Chapter 2).

If you are a member of the Armed Forces, you are exempted from registration and the County Board of Elections must receive your FPCA for ballot request anytime before the election. In some cases, however, the County Board of Elections may send you a state Voter Registration Mail Application (VRMA) or a state absentee ballot application if they cannot determine from the information on the FPCA whether or not you meet all the requirements to vote in that county. Either the state VRMA or the state absentee ballot application must be completed and returned with the voted ballot to the County Board of Elections so your ballot for all offices is counted. If the local election official does not receive either application, your ballot will be counted for Federal offices only.

If you are a spouse or dependent of a member of the Armed Forces, or a merchant marine member or a spouse or dependent of a merchant marine member, the County Board of Elections must receive your FPCA for ballot request anytime before the election. If you are not registered you may receive, along with your ballot, a state VRMA. You must complete and return the state VRMA with your voted ballot so your ballot for all offices is counted. If you do not return the state VRMA, the ballot is counted for Federal offices only.

The registration declaration on the Pennsylvania VRMA is accepted for all purposes as the equivalent of an affidavit, and if the VRMA contains a materially false statement, the applicant will be subject to penalties for perjury.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by **5:00 p.m. on the Friday before the election.**

Local election officials mail ballots and state registration materials approximately 45 days before the election.

If official absentee ballots are not available at that time, you will be sent a special write-in absentee ballot.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Pennsylvania allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail. The original FPCA must be received prior to the election by the county election office in order for the ballot to count.
- Pennsylvania allows you to receive the blank ballot by fax if you are in a designated hostile fire, imminent danger pay, combat zone or qualified hazardous duty area.
- Pennsylvania does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Special Write-In Absentee Ballot

Pennsylvania provides a state special write-in absentee ballot available 50 days before the primary election and 70 days before the general election if you will be unable to vote during the regular absentee balloting period by reason of military service or living in a remote or isolated area of the world.

The FPCA may be used to request the state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.E. If no labels are available, write in Item 7: "I am unable to vote during the regular absentee balloting period by reason of living or performing military service in an extremely remote or isolated area of the world. I request a special write-in absentee ballot."

Notify Your Local Election Official About Your Current Mailing Address

The special write-in ballot may be requested at any time before the election.

Vote the special write-in ballot by writing in the names of specific candidates from the list provided.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Pennsylvania and overseas electors. The term “overseas electors” means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Pennsylvania.

- U.S. Government employees overseas and their spouses and dependents (for local, state and Federal office ballots)
- other residents of Pennsylvania temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas electors as defined above (for Federal office ballots only).

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your County Board of Elections early every year and whenever you change your mailing address (see Chapter 2).

If you are a civilian employee of the U.S. Government, or a spouse or dependent of a civilian employee of the U.S. Government, the County Board of Elections must receive your FPCA for ballot request anytime before the election. If you are **not registered** you may receive, along with your ballot, a state Voter Registration Mail Application (VRMA). You must complete and return the state VRMA with your voted ballot so your ballot for all offices is counted. If you do not return the state VRMA, the ballot is counted for Federal offices only.

If you are a registered Pennsylvania elector temporarily residing outside the U.S., the County Board of Elections must receive your FPCA at least 7 days before the election.

If you are an unregistered resident temporarily residing outside the U.S., the County Board of Elections must receive your FPCA not later than 30 days before the election. You may receive, along with your ballot, a state VRMA if the County Board of Elections cannot determine from the information on the FPCA whether you meet all the requirements to vote in the county. The completed state

VRMA must arrive at least 30 days before the election for the ballot to be counted for all offices. If the state VRMA is not received timely, your ballot will be counted for Federal offices only.

If you are an overseas elector who does not meet the state residency requirement, you will receive a ballot for Federal offices only.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by **5:00 p.m. on the Friday before the election.**

Local election officials mail ballots and state registration materials approximately 45 days before the election.

If official absentee ballots are not available at that time, you will be sent a special write-in absentee ballot.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Pennsylvania allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail. The original FPCA must be received prior to the election by the county election office in order for the ballot to count.
- Pennsylvania does not allow you to receive the blank ballot by fax.
- Pennsylvania does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527

F. Special Write-In Absentee Ballot

Pennsylvania provides a state special write-in absentee ballot available 50 days before the primary election and 70 days before the general election if you will be unable to vote during the regular absentee balloting period by reason of living in a remote or isolated area of the world.

The FPCA may be used to request the state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.E. If no labels are available, write in Item 7: “I am unable to vote during the regular absentee balloting period by reason of living or performing military service in an extremely remote or isolated area of the world. I request a special write-in absentee ballot.”

The special write-in ballot may be requested at any time before the election.

Vote the special write-in ballot by writing in the names of specific candidates from the list provided.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

Persons imprisoned for a felony conviction may not vote absentee.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** Your current and valid Rhode Island driver’s license number is required in 1.f. If you do not have a current and valid Rhode Island driver’s license number, the last four digits of your Social Security number are required in 1.e. If you do not possess either of these identifications, Rhode Island shall assign a number that will serve to identify you for voting purposes.
- B** Do not leave blank. Enter “N/A” if not applicable or if you are a first time voter.
- C** Provide the complete address of your Rhode Island voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location. For example: “on Highway ____, 2 miles past Highway ____, across the street from the ____ gas station.” This address must be different from the one provided in Item 4 and must be within the city or town where you claim legal voting residence.

- D** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.
- E** You must list a party affiliation to vote in primaries, e.g., Democrat, Republican or write “none” in Item 6 of the FPCA. Changes of party affiliation must be made on or before the 90th day before the election. Political party affiliation is not required to vote in general elections.
- F** Check ONE box.
- G** You are swearing or affirming that the information provided is true and correct by signing the FPCA.
- H** If you are an “other” overseas citizen (see Section II. A.) requesting a state voter registration form only, a notary public, commissioned officer, consular officer, or other authorized person must complete this section.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Rhode Island, members of the Uniformed Services and their family members, and members of religious groups or welfare agencies officially attached to the Armed Forces overseas and their spouses and dependents accompanying them outside the state. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your Board of Canvassers early every year and whenever you change your mailing address (see Chapter 2).

This single FPCA can be extended beyond one year to the length of the assignment at a duty station (if over one year) by completing an absentee ballot certificate. In Item 7 of the FPCA write: “I request an absentee ballot certificate (Section 17-20-9.2).” When you receive the certificate, complete the form (including your name, Rhode Island address, duty station address where you want your ballot mailed, length of time assigned to that duty station) and obtain the name and signature of the military commander.

Rhode Island waives registration.

To request an absentee ballot, the Board of Canvassers in your city or town of voting residence must receive your FPCA not later than 4:00 p.m., 21 days before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the State Board of Elections by 9:00 p.m. on election day.

State election officials begin mailing ballots approximately 21 days before the election. State elections officials will also issue an official state blank ballot 45 days before an election if the official ballot is not yet available and then will issue the official mail ballot when it becomes available.

If you are outside the U.S. and have not received your official state ballot or official blank state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below and in Chapter 2, page 12.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

Rhode Island waives registration except for “other” overseas citizens residing outside the U.S. “Other” overseas citizens must complete a voter registration form and an Affidavit of Absentee Voter Upon Registration; both documents must be returned to the Board of Canvassers not later than 30 days before the election.

These forms may be requested by using the FPCA, letter, telephone, fax or e-mail.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** Your U.S. Driver's License number is required for voter registration. If you do not have a driver's license number then you must give the last four digits of your social security number. If you do not possess either of these identifications, the voter may only register at the County Auditor's office and shall sign a statement of such fact.
- B** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- C** Provide the complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.
- D** Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address you provided in Item 3.
- E** **If you do not list a party affiliation, you cannot vote in primary elections.** You must indicate your political party affiliation when applying for a primary ballot (Example:

- Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to the local County Auditor.
- F** Check ONE box.
- G** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.
- H** Absentee ballot applications must be notarized by a notary public or other person authorized to administer oath. Instead of a notarized signature, you may provide a photo copy of your valid ID. An acceptable ID is: A South Dakota Drivers License or non-driver ID card; a passport or other picture ID issued by the U.S. government; a tribal photo ID; a photo ID issued by a South Dakota postsecondary education institution.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of South Dakota and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2). However, a separate FPCA is needed for school or municipal elections.

To register and request an absentee ballot, send a completed FPCA to the local County Auditor so that it arrives not later than 15 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the local County Auditor anytime before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office in time to be delivered to the Superintendent of Elections of the voter's home precinct prior to the close of the polls.

Local election officials mail ballots within 48 hours after receiving your request, or as soon as ballots are available (six weeks before any primary or general election).

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instruction in Chapter 2, page 12.

D. Notary/Witness Requirements

D Provide the complete street address of your Tennessee voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: “on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station.” This

address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

E Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address you provided in Item 3.

F **If you do not list a political party affiliation, you cannot vote in primary elections.** You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write “none” in Item 6 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.

G Check ONE box.

H Sign and date the FPCA. When signing, you are swearing or affirming under penalty of perjury that the information is true and correct.

I If an absentee applicant or voter requires assistance one person must witness the assistance given in completing the FPCA or ballot.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Tennessee and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register temporarily and request an absentee ballot, send a completed FPCA to the county election commission during the same calendar year as the election(s), so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than five days before the election. Alternatively, send a written request for temporary registration and an absentee ballot to the local county election commission. This written request must include your name, social security number, date of birth, the address you claim as your legal voting residence, and your current mailing address (where you want the ballot to be sent), and must be signed under penalty of perjury that the information is true, correct and that you are eligible to vote in the election.

To register permanently, submit a completed FPCA postmarked it at least 30 days before the election and return it to the local county election commission.

If you are permanently registered and only wish to request an absentee ballot, send a completed FPCA to the county election commission so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than five days before the election. Or you may send a letter that contains your name, residential address, social security number, address where to mail ballot outside of the county, the election that you plan to participate in, the reason for voting absentee and your signature to the county election commission office not later than 5 days before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the close of polls on election day.

Local election officials mail absentee ballots approximately 45 days before the election.

If you are outside the U.S. and have not received your requested state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed. However, if the applicant required assistance, one person must witness the assistance given in completing the FPCA or ballot.

E. Electronic Transmission of FPCAs and Ballots

- Tennessee allows you to send the FPCA to temporarily register and request an absentee ballot by fax. After faxing, submit the FPCA by mail.
- Tennessee does not allow you to receive the blank ballot by fax.
- Tennessee does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Special Write-In Absentee Ballot

State law generally provides that no later than forty-five (45) days before an election, the county election commission shall mail a special write-in absentee ballot and list of candidates to all Armed Forces personnel who as of that date have made a valid application for a ballot. This special write-in absentee ballot is sent when the regular absentee ballot has not been printed or is not ready for distribution. After requesting an official absentee ballot, Armed Forces personnel who feel that due to requirements of military service this may not be a sufficient amount of time to receive and then return the voted ballot may also use the Federal Write-In Absentee Ballot referred to in the last paragraph of Section I.B. above. If both ballots are received prior to the close of the polls on election day, the county election commission will count the ballot it provided to the voter.

Notify Your Local Election Official About Your Current Mailing Address

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

A The last four digits of your Social Security number OR your Texas Driver's License is required for voter registration. If you do not possess either of these identifications, Texas shall assign a number that will serve to identify you for voter registration purposes.

B Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

C Provide the complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

D Print the complete address where you want your ballot sent - usually your current mailing address. The mailing address must be an address outside the county of voting residence or an address anywhere in the U.S. (including an address within the county of voting residence) used for

forwarding or delivery of an early voting ballot to you at a location outside the U.S.

E If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if you request early voting ballots only for general elections.

F If the address given in Item 4 is within the county of your voting residence, you must state that the balloting materials will be forwarded to you at an address outside the U.S. If you want a Special State Write-In Ballot in lieu of an officially printed ballot, indicate "Special State Write-In Ballot" in this item (military only). To foster communication with your local election official, you may include a phone number or e-mail address here.

G Check ONE box.

H You must sign and date the FPCA. By signing, you are swearing or affirming that the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U. S. citizens, residents of Texas, and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

The term “early voting” refers to Texas election procedures which allow citizens to vote by mail (or in person 17 days before the election without a reason). References to “absentee voting” have been changed to “early voting.”

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your Early Voting Clerk at the beginning of every year and whenever you change your mailing address (see Chapter 2).

To register and request an early voting ballot for local, state and Federal offices, send a completed FPCA to the Early Voting Clerk in the county of your voting residence not later than the 30th day before the election. If the 30th day before the election is a Saturday, Sunday or a legal state or national holiday, your FPCA must be submitted by the next business day. However, if the election is held in January or February, you may submit your FPCA so that it arrives not earlier than 60 days before the election, even though it may arrive in the preceding calendar year. Persons who are registered to vote by FPCA may not use this procedure to vote in person.

If you submit your FPCA between the 29th and the 7th day before the election and you are **not** permanently registered, you will receive a ballot for Federal offices only. However, for elections during the remainder of the calendar year, you will receive ballots for local, state and Federal offices.

To register permanently, use the FPCA to request the Texas voter registration form from the County Voter Registrar. Complete the Texas voter registration form and return it to the County Voter Registrar postmarked not later than 30 days before the election. If the 30th day before an election is a Saturday, Sunday, or a legal state or national holiday, your application submitted by mail will be considered timely if it is postmarked by the next business day.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the close of polls on election day. If you are casting a ballot

from outside the U.S., it must be placed in delivery by 7:00 p.m. on election day so that it arrives at the Early Voting Clerk’s office according to the following timetable:

- Not later than five (5) days after the general election for state and county officers (includes Federal offices).
- Not later than two (2) days after the date of any election other than the general election for state and county officers (e.g., primary, special, school trustee, and city elections).

Local election officials mail early voting ballots approximately 45 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below in G. and in Chapter 2, page 12.

D. Notary/Witness Requirements

Registration or voting materials are not required to be notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Texas allows you to send the FPCA by fax. After faxing, submit the FPCA by mail.
- Texas does not allow you to receive the blank ballot by fax.
- Texas allows you to return the voted ballot by fax if you are a member of the U.S. Armed Forces on active duty overseas, or the spouse or dependent of the member, and you are casting the ballot from an area in which members of the Armed Forces are eligible to receive hostile fire pay or imminent danger pay, or that has been designated by the President of the U.S. as a combat zone.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Special State Write-In Ballot

Texas provides a Special State Write-In Ballot if you are unable to cast a ballot on election day or during the regular period of early voting because of a military contingency.

Notify Your Local Election Official About Your Current Mailing Address

You may use this Special State Write-In Ballot to write in the name of an official candidate. If you apply for a Special State Write-In Ballot, you will not be sent the official regular ballot from the state, unless the officially-printed ballot is available for mailing at the time your FPCA is received.

You may apply for this Special State Write-In Ballot not earlier than the 180th day before the election. If you wish to receive a Special State Write-In Ballot for any election held outside the 180 days of submission of your initial FPCA, you must make another request for the Special State Write-In Ballot.

To request the Special State Write-In Ballot, indicate in Item 7 of the FPCA “Special State Write-In Ballot.” The ballot will be mailed as soon as your FPCA has been approved by the Early Voting Clerk.

G. Federal Write-In Absentee Ballot

Texas has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186, for overseas voters. The instructions described in Chapter 2 of this Guide remain the same, except that Texas allows eligible overseas voters to use the FWAB to vote in any general, special, primary or runoff election for Federal office.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Texas, and overseas citizens. The term “overseas citizen” means a U.S. citizen who resides outside the U.S., whose intent to return is uncertain, and (but for such residence) would be qualified to vote in Texas.

The term “early voting” refers to Texas election procedures which allow citizens to vote by mail (or in person 17 days before the election without a reason). References to “absentee voting” have been changed to “early voting.”

- Texas residents temporarily residing outside the U.S. (for local, state, and Federal office ballots)
- overseas citizens (for Federal office ballots only)

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your Early Voting Clerk at the beginning of every year and whenever you change your mailing address (see Chapter 2).

To register and request an early voting ballot for local, state and Federal offices, send a completed FPCA to the Early

Voting Clerk in the county of your voting residence not later than the 30th day before the election. If the 30th day before the election is a Saturday, Sunday or a legal state or national holiday, your FPCA must be submitted by the next business day. However, if the election is held in January or February, you may submit your FPCA so that it arrives not earlier than 60 days before the election, even though it may arrive in the preceding calendar year. Persons who are registered to vote by FPCA may not use this procedure to vote in person.

If you submit your FPCA between the 29th and the 7th day before the election and you are **not** permanently registered, you will receive a ballot for Federal offices only. However, for elections during the remainder of the calendar year, you will receive ballots for local, state and Federal offices.

To register permanently, use the FPCA to request the Texas voter registration form from the County Voter Registrar. Complete the Texas voter registration form and return it to the County Voter Registrar postmarked not later than 30 days before the election. If the 30th day before an election is a Saturday, Sunday, or a legal state or national holiday, your application submitted by mail will be considered timely if it is postmarked by the next business day.

D. Notary/Witness Requirements

Registration or voting materials are not required to be notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Texas allows you to send the FPCA by fax. After faxing, submit the FPCA by mail.
- Texas does not allow you to receive the blank ballot by fax.

- Texas does not allow you to return the voted ballot by fax.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

Convicted felons while serving their sentence, parole or probation and persons declared mentally incompetent by final judgment of a court may not register or vote.

B. Cancellation of Registration

Temporary registration is canceled at the end of each calendar year. Change of residence may trigger being placed on the suspense list and could result in cancellation of permanent registration. If cancellation of registration occurs, re-registration is required.

C. Action on Registration Requests

You will receive a notice of denial if your FPCA is rejected.

D. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Texas shall provide you with the reason(s) for the rejection. Provide the information requested in the notice of denial. If registration is again denied, consult a legal assistance officer or civilian counsel.

E. Where To Send It

Mail the FPCA to the **Early Voting Clerk** in the county of your voting residence, as listed below, for primary, runoff and general elections. For any elections other than Federal,

state and county office elections or any other election conducted by the county, send a separate FPCA to the **Early Voting Clerk** conducting that election. (Generally, the authority ordering the election appoints the Early Voting Clerk, e.g., city, school district, water district. Addresses for a particular jurisdiction can be obtained by contacting the County Clerk or Elections Administrator in that area or the administrative officers of the political subdivision conducting the election). Requests for a Texas voter registration form must be mailed to the **County Voter Registrar**.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Utah, military voters, and members of the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

Under Utah law, military voters are defined as:

- members of the U.S. Armed Forces or merchant marine
- civilian employees of the U.S. Government serving overseas
- members of religious groups or welfare agencies officially attached to the Armed Forces overseas
- spouses and dependents of the above

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

Registration is not required when using the FPCA to request ballots. When you return the voted ballot you will be temporarily registered.

If you are a member of the Armed Forces or merchant marine or a spouse or dependent of one of these and live in the U.S., the County Clerk must receive your FPCA not later than the Friday before the election.

If you are a voter defined in I(A) above and you live overseas, the County Clerk must receive your FPCA not later than 20 days before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must be **postmarked** by the **day before the election** and received by the elections officer before noon on the day of the official canvass following the election (see Item D).

Local election officials mail ballots to persons residing overseas not later than 35 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: No notary or witnessed required.

Ballot Return Envelope: If it is not possible to obtain the military postmark on or before election day a noncommissioned officer or commissioned officer may certify that the ballot was voted on or before election day by writing the following on the exterior of the ballot:

- “I certify that this ballot was voted on or before election day”
- sign and date; and
- clearly print their name and service number below the signature.

E. Electronic Transmission FPCAs and Ballots

- Some counties in Utah allow you to send your FPCA for registration and ballot request by fax in emergency situations. After faxing, submit the FPCA by mail.
- Some counties in Utah allow you to receive the blank ballot by fax in emergency situations.
- Some counties in Utah allow you to return the voted ballot by fax in emergency situations.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Special Write-In Absentee Ballot

Utah provides a state special write-in absentee ballot to military voters who will be unable to vote by regular absentee ballot or in person because of military service. This special write-in ballot is only available for general elections.

The FPCA may be used to request this special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.G. If no labels are available, write in Item 7: “I am unable to vote by regular absentee ballot or in person because of military service. I request a special write-in absentee ballot.”

Notify Your Local Election Official About Your Current Mailing Address

The special write-in ballot is available 90 days before an election and must be requested not later than 30 days before the election. It may be used to vote for Federal offices only. You may vote it by writing a party choice or the names of specific candidates.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens and residents of Utah, or overseas electors. The term “overseas elector” means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Utah.

- Utah residents temporarily residing outside the U.S. (Consult Section B below for ballot type eligibility)
- Overseas citizens (for ballots for Federal offices only)

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

Registration is not required when using the FPCA to request ballots. When you return the voted ballot you will be temporarily registered.

If you are an unregistered resident temporarily residing outside the U.S. and wish to receive a ballot for local, state and Federal offices, send your FPCA to the County Clerk. The County Clerk will then mail you the state by-mail registration form which must be completed and returned so that it arrives not later than 20 days before the election. Request the state by-mail registration form by submitting an FPCA to the local election official.

If you are an unregistered resident temporarily residing outside the U.S. and wish to vote a ballot for Federal offices only, the County Clerk must receive your FPCA request for a ballot for Federal offices not later than 30 days before the election. In this case, you are considered an overseas citizen.

If you are a registered resident temporarily residing outside the U.S., the County Clerk must receive your FPCA not later than 20 days before the election. You will receive ballots for local, state and Federal offices.

If you are an overseas citizen, the County Clerk must receive your FPCA not later than 30 days before the election. You will be temporarily registered.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the County Clerk **before noon** on the day of the official canvass following the election. **Postmark** your voted ballot by the day before the election.

Local election officials mail ballots to persons residing overseas not later than 35 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCA and Ballots

- Some counties in Utah allow you to send your FPCA for registration and ballot request by fax in emergency situations. After faxing, submit the FPCA by mail.
- Some counties in Utah allow you to receive the blank ballot by fax in emergency situations.
- Some counties in Utah allow you to return the voted ballot by fax in emergency situations.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

Persons incarcerated for a felony conviction or persons found mentally incompetent may not register or vote, unless civil rights have been restored.

B. Cancellation of Registration

Temporary registration is canceled at the end of the calendar year.

C. Action on Registration Requests

A ballot or a state by-mail registration form is sent, as appropriate.

D. Action If Registration Is Denied

E. Late Registration

Any member of the Armed Forces, merchant marine or any civilian citizen who was discharged from overseas service or employment too late to meet the regular state registration deadline, may register to vote by filing an affidavit establishing his or her eligibility to vote with the County Clerk of his or her county of voting residence by noon on the day before the election.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- (A)** Provide your Vermont Driver's License number or if you do not have a Vermont Driver's License, the last four digits of your Social Security Number. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- (B)** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- (C)** Provide the complete street address of your Vermont voting residence. A post office box is not sufficient. If you do not have a street address, describe the physical location of your residence. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be within the town where you claim legal voting residence.
- (D)** Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address you provided in Item 3.

- (E)** If you have not been administered the oath previously, you must place an oath label or write the oath in Item 7, Remarks (See Section I.C. and II.C.). Also, you must specify your desire for acceptance of your application as a ballot request for both the primary and general elections, otherwise, your FPCA will serve as a request for one election only.
- (F)** Item 8f is not applicable for voting purposes in Vermont.
- (G)** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.
- (H)** If you are using the FPCA to register and have not taken the Voter's Oath previously, a notary public, commissioned officer, or any official authorized to administer oaths must complete this section.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Vermont and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register and request an absentee ballot, send a completed FPCA to the town clerk so that it is postmarked not later than the second Monday before the election.

To request an absentee ballot if you are already registered, send a completed FPCA to the town clerk so that it arrives not later than 5 p.m. or the closing of the town clerk's office on the day preceding the election. Alternatively, you may request a ballot by telephone. (Although Vermont law allows absentee ballot requests as stated, you must time your request in order for you to receive your ballot in time to actually return it so it arrives at the Town Clerk's office before 7 p.m. on election day.)

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the town clerk **not later than the close of polls on election day**.

Local election officials mail absentee ballots approximately 30 days before Federal and state elections. Ballots for local elections are available 20 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: If you have never registered before in Vermont, you must take the "Voter's Oath" as part of the registration process. You must take this oath before a commissioned officer, notary, or other official authorized to administer oaths.

Voter's Oath:

"I solemnly swear (or affirm) that whenever I give my vote or suffrage, touching any matter that concerns the State of Vermont, I will do it so as in my conscience I shall judge will most conduce to the best good of the same, as established by the Constitution, without fear or favor of any person." (Vermont Constitution, Chapter II, Section 42).

Following completion of the oath, place one of the state oath labels from Section III.E in Item 7 of the FPCA. If no labels are available, write the above oath in Item 7.

Ballot Return Envelope: The ballot return envelope is not sworn to or witnessed. However, your signature must be on the inside envelope certificate

E. Electronic Transmission of FPCAs and Ballots

- Vermont allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail or express delivery service.
- Vermont allows you to receive the blank absentee ballot by fax.
- Vermont does not allow you to return your voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Application for Ballot by Proxy

A member of your immediate family may request a ballot from the town clerk for you. This request by proxy must be received by 5 p.m., the day before the election.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Vermont and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Vermont.

Notify Your Local Election Official About Your Current Mailing Address

- residents of Vermont temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas citizens (for Federal office ballots only)

Persons denied registration should reapply, providing the information requested in the first notice of denial. If a second denial is received, consult a legal assistance officer or civilian counsel.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** Your Social Security number is required. If you do not have a Social Security number, Virginia shall assign a number that will serve to identify you for voting purposes.
- B** Military members, merchant marine members, and their spouses and dependents must provide the service identification number of the member. Overseas electors and/or their spouses and dependents must provide an identification number or name and address of employer. (See H. below).
- C** All voters must complete. Write "None" if not applicable. If previously registered in Virginia, your voter registration number is your Social Security number.
- D** Enter last day of residency at your Virginia voting residence address only if that home is no longer available to you.
- E** Provide the complete street address of your Virginia voting residence. A post office box is not sufficient. If your address includes a rural route number, describe its location in Item 7. For example: "on Highway ____, 2 miles past Highway ____, across the street from the ____ gas station." This address must be different from the one provided in Item 4 and must be within the county or city where you claim legal voting residence.
- F** Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.

- G** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Primaries are held only if requested by the political party and then only if at least two candidates file for the office. Political party affiliation is not required if only requesting ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party affiliation and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party affiliation to the General Registrar not later than 29 days before the election.
- H** Uniformed Service members, merchant marine members, and their spouses and dependents must provide the branch of service, and grade or rank of the military member. Citizens residing overseas for reason of employment and their accompanying spouse/dependents must provide the name and address of the employer. Please include an e-mail address here, if available, in case there are any questions about your application.
- I** Check ONE box.
- J** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct. No notary or witness required except when a voter is unable to sign the application due to a physical disability or inability to read or write.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Virginia and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your General Registrar early every year and whenever you change your mailing address (see Chapter 2).

To register permanently and request an absentee ballot, send a completed FPCA to the General Registrar so that it arrives as early as possible before the election and not later than 5 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the General Registrar so that it arrives as early as possible, but not earlier than 12 months before the election and not later than 5 days before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the close of polls on election day.

Local election officials mail absentee ballots approximately 45 days before an election.

Voted ballots may be returned by mail or by a commercial delivery service by the voter, but may not be delivered by a personal courier service or another individual who is not the voter.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below and in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: No notary or witness required except when a voter is unable to sign the application due to a physical disability or inability to read or write.

Ballot Return Envelope: The oath on the envelope must be witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Virginia allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail.
- Virginia does not allow you to receive the blank ballot by fax.
- Virginia does not allow you to return the voted ballot by fax.
- Ballots for some elections may be available for transmission by e-mail. To request that your ballot be sent to you by e-mail, if available, include your e-mail address on the FPCA. After receiving your e-mail ballot, you must print and return the voted ballot and oath by mail or a commercial delivery service. Refer to <http://www.sbe.state.va.us> for more information.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Early Absentee Ballot

Virginia provides an early absentee ballot for the elections for governor, lieutenant governor or attorney general only. You are eligible to use this ballot if you are overseas and you will not be able to vote and return a regular absentee ballot within the time provided for regular absentee ballots.

Use the FPCA to request this early absentee ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.G. If no labels are available, write in Item 7: "I am unable to vote in any other manner due to overseas military service or due to living in an isolated or extremely remote overseas area. I request an early voting absentee ballot."

The early absentee ballot must be requested not later than 90 days before the election.

G. Federal Write-In Absentee Ballot

Virginia has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186. The instructions described in Chapter 2 of this Guide remain the same, except that Virginia also allows the FWAB to be used by any of the persons listed in Section A. above, whether voting from inside or outside the U.S. Virginia also allows

Notify Your Local Election Official About Your Current Mailing Address

the FWAB to be used in primary, general or special elections for Federal offices.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens and residents of Virginia, or overseas citizens. The term “overseas citizen” means a U.S. citizen who resides outside the U.S. and (except for living outside the U.S.) would be qualified to vote in Virginia.

- residents of Virginia temporarily living outside the U.S. who still have a Virginia place of abode available to them (for local, state and Federal office ballots)
- residents of Virginia living outside the U.S. by virtue of employment and their spouses and dependents living with them who were registered to vote immediately preceding the move overseas, who moved after July 1, 1999 and who no longer have a Virginia place of abode (for local, state and Federal office ballots)
- all other citizens whose last residence before moving overseas was Virginia (for Federal office ballots only)

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your General Registrar early every year and whenever you change your mailing address (see Chapter 2).

You may register permanently and request an absentee ballot if you are a Virginia resident residing temporarily outside the U.S. and you maintain your Virginia place of abode by sending a completed FPCA to the General Registrar as early as possible before the election and not later than 29 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the General Registrar so that it arrives as early as possible, but not earlier than 12 months before the election and not later than 5 days before the election.

Residents of Virginia living outside the U.S. by virtue of employment and their spouses and dependents living with them who were registered to vote immediately preceding the move overseas and who moved overseas on or after July 1, 1999 and other Virginians overseas who no longer have a Virginia place of abode may be registered temporarily. **To register temporarily and request an absentee ballot**, send a completed FPCA to the General Registrar so that it arrives

not earlier than 6 months or not later than 29 days before the election. You must submit a separate FPCA for each election in a calendar year.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the close of polls on election day.

Local election officials mail absentee ballots approximately 45 days before an election.

Voted ballots may be returned by mail or by a commercial delivery service by the voter, but may not be delivered by a personal courier service or another individual who is not the voter.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below and in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: No notary or witness required except when a voter is unable to sign the application due to a physical disability or inability to read or write.

Ballot Return Envelope: The oath on the envelope must be witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Virginia allows you to send the FPCA for registration and absentee ballot or the Virginia application for temporary registration by fax. After faxing, submit the FPCA or Virginia application by mail.
- Virginia does not allow you to receive the blank ballot by fax.
- Virginia does not allow you to return the voted ballot by fax.
- Ballots for some elections may be available for transmission by e-mail. To request that your ballot be sent to you by e-mail, if available, include your e-mail address on the FPCA. After receiving your e-mail ballot, you must print and return the voted ballot and oath by mail or a commercial delivery service. Refer to <http://www.sbe.state.va.us> for more information.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
(703) 693-5527
1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Early Absentee Ballot

Virginia provides an early absentee ballot for the elections for governor, lieutenant governor or attorney general to any person voting from overseas who believes that he or she will not be able to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots.

Use the FPCA to request this early absentee ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.G. If no labels are available, write in Item 7: “I am unable to vote in any other manner due to overseas military service or due to living in an isolated or extremely remote overseas area. I request an early voting absentee ballot.”

The early absentee ballot must be requested not later than 90 days before the election.

G. Federal Write-In Absentee Ballot

Virginia has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186. The instructions described in Chapter 2 of this Guide remain the same, except that Virginia also allows the FWAB to be used by any of the persons listed in Section A above, whether voting from inside or outside the U.S. Virginia also allows the FWAB to be used in primary, general or special elections for Federal offices.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Late Registration

The following persons, if otherwise qualified to register, may register in person up to and including the date of an election: (1) active duty military, and their spouses and dependents, who are discharged within 60 days of election day; (2) persons who are normally absent from their county or city of residence or who return to reside there during the 28 days preceding the election who are (i) active duty military, (ii) members of the merchant marine, (iii) persons who reside temporarily outside the U.S. by virtue of their employment, and (iv) spouses or dependents of (i), (ii), and (iii) who reside with them.

B. Bars to Registration and Voting

Persons convicted of a felony or declared mentally incapacitated by a court may not register or vote unless their rights have been restored.

C. Cancellation of Registration

Temporary registration for overseas citizens is canceled following each election.

D. Action on Registration Requests

Registration applications must be complete. Failure to complete all requests may result in denial of your application.

E. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Virginia shall provide you with the reason(s) for the rejection. Persons denied registration may appeal to the circuit court. A form for petitioning the court is provided on the reverse side of the denial. Consult a legal assistance officer or civilian counsel.

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- A** Your Social Security number is required. If you do not have a Social Security number, your Virgin Islands Driver's License number is required for voter registration. If you do not possess either of these identifications, the Territory shall assign a number that will serve to identify you for voter registration purposes.
- B** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- C** Provide the complete street address of your Virgin Islands voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the Virgin Islands.
- D** Print the complete address where you want your ballot sent — usually your current mailing address. Your current

mailing address must be different from the address provided in Item 3.

- E** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, ICM, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation, you must submit a completed FPCA which indicates your new political party choice so that the local election official receives it not later than 30 days before the election in which you wish to vote.
- F** Check ONE box.
- G** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

APPENDIX C

ELECTRONIC TRANSMISSION OF ELECTION MATERIALS

NOTE: Please refer to individual state guidelines in Chapter 3 to determine if a specific state allows electronic transmission of official election materials. Please read all instructions carefully.

If a state allows electronic transmission of official election materials, it may allow:

1. the citizen to fax the FPCA for registration and/or ballot request,
2. the citizen to be sent the absentee ballot by fax,
3. the citizen to return the voted ballot by fax,
4. or any combination of 1), 2) and 3).

Any other written correspondence involving voter registration or elections may be faxed to local election officials in any state.

To Send the FPCA by Fax

1. Complete and sign the FPCA legibly using **dark ink** as indicated in Chapter 3, according to each state's requirements.
2. **Fax both sides of the FPCA** using a copy of the fax transmittal cover sheet included in this Appendix, or other cover sheet containing similar information, indicating sender's full name, fax number (DSN and Commercial, if available) and telephone number.
3. Use a separate transmittal cover sheet including the number of pages being transmitted for each FPCA. More than one FPCA with cover sheet may be faxed in a single transmission if they have the same destination.
4. After faxing, **mail the completed FPCA** to the local election official address as listed in Chapter 3 even if it may not meet the state's registration deadline.

To Receive the Absentee Ballot by Fax

Ballots will be faxed where allowed by state law from the local election official to the individual's fax machine or to an office or command fax machine as indicated on the ballot request, for delivery to addressee (voter).

The voter should follow all instructions provided by the local election official in marking and executing the ballot.

To Return the Voted Absentee Ballot by Mail

It is preferred that the voter return the voted ballot to the local election officials by mail, even if the ballot has been sent to the voter by fax.

To return by mail a voted ballot that has been sent to the voter by fax, use the security envelope and ballot transmittal envelope from the Federal Write-In Absentee Ballot (SF-186), if available. Detach the envelopes from the rest of the form. The voter should then place the voted ballot in the security envelope, seal it and place the sealed security envelope in the transmittal envelope and mail it immediately to the local election official.

If SF-186 forms are not readily available, use two plain envelopes. Mark one as the security envelope and the other as the transmittal envelope for mailing. Follow the instructions provided with the ballot.

The voter should vote in private and seal the ballot in the security envelope without any assistance whenever possible.

To Return the Voted Absentee Ballot by Fax

If the voter determines there is not sufficient time to return the ballot by mail and the state allows receipt of a voted ballot by fax, the voted ballot may be transmitted by fax. The voter should follow the instructions provided by the local election official in marking and executing the ballot. Mark the ballot and print legibly in **dark ink** or type.

The voter must understand that by faxing the voted ballot, he/she is waiving the right to secrecy of the ballot. The voter must sign a statement on the fax transmittal cover page indicating, "I understand that by faxing my voted ballot I am voluntarily waiving my right to a secret ballot." This must be followed by the signature of voter and the date. The voter is advised to obtain and retain a facsimile receipt of the date and time the voted ballot was faxed successfully.

Use a copy of the fax transmittal cover sheet included in this Appendix, or other cover sheet containing similar information, indicating the name, telephone number and fax number of the sender, the name and SSN of the voter, and the complete destination address for the ballot (as found under the respective state headings in Chapter 3).

IMPORTANT: Voting Assistance Officers are reminded that they are performing duties in an official capacity and are obliged to protect the integrity of the

electoral process and the confidentiality of the voter and his/her vote.

Voting materials described for any state may be transmitted through the following numbers:

TITLE I — REGISTRATION AND VOTING BY ABSENT UNIFORMED SERVICE VOTERS AND OVERSEAS VOTERS IN ELECTIONS FOR FEDERAL OFFICE

SEC. 101. FEDERAL RESPONSIBILITIES.

(a) **PRESIDENTIAL DESIGNEE.** — The President shall designate the head of an executive department to have primary responsibility for Federal functions under this title.

(b) **DUTIES OF PRESIDENTIAL DESIGNEE.** — The Presidential designee shall —

- (1) consult State and local election officials in carrying out this title, and ensure that such officials are aware of the requirements of this Act;
- (2) prescribe an official post card form, containing both an absentee voter registration application and an absentee ballot application, for use by the States as required under section 102(4);
- (3) carry out section 103 with respect to the Federal write-in absentee ballot for overseas voters in general elections for Federal office;

- (6) not later than the end of each year after a Presidential election year, transmit to the President and the Congress a report on the effectiveness of assistance under this title, including a separate statistical analysis of uniformed services voter participation, a separate statistical analysis of overseas nonmilitary participation, and a description of State-Federal cooperation; and
- (7) prescribe a standard oath for use with any document under this title affirming that a material misstatement of fact in the completion of such a document may constitute grounds for conviction of perjury.

(c) **DUTIES OF OTHER FEDERAL OFFICIALS.** —

- (1) **IN GENERAL.** — The head of each Government department, agency, or other entity shall, upon request of the Presidential designee, distribute balloting materials and otherwise cooperate in carrying out this title.
- (2) **ADMINISTRATOR OF GENERAL SERVICES.** — As directed by the Presidential designee, the Administrator of General Services shall furnish official post card forms (prescribed under subsection (b)) and Federal write-in absentee ballots (prescribed under section 103).

SEC. 102. STATE RESPONSIBILITIES.

(a) **IN GENERAL.**—Each State shall —

- (1) permit absent uniformed services voters and overseas voters to use absentee registration procedures and to vote by absentee ballot in general, special, primary, and runoff elections for Federal office;
- (2) accept and process, with respect to any election for Federal office, any otherwise valid voter registration application and absentee ballot application from an absent uniformed services voter or overseas voter, if the application is received by the appropriate State election official not less than 30 days before the election;
- (3) permit overseas voters to use Federal write-in absentee ballots (in accordance with section 103) in general elections for Federal office;
- (4) use the official post card form (prescribed under section 101) for simultaneous voter registration application and absentee ballot application; and
- (5) if the State requires an oath or affirmation to accompany any document under this title, use the standard oath prescribed by the Presidential designee under section 101(b)(7).

(b) **DESIGNATION OF SINGLE STATE OFFICE TO PROVIDE INFORMATION ON REGISTRATION AND ABSENTEE BALLOT PROCEDURES FOR ALL VOTERS IN THE STATE.**—

- (1) In general. Each State shall designate a single office which shall be responsible for providing information regarding voter registration procedures and absentee ballot procedures to be

used by absent uniformed services voters and overseas voters with respect to elections for Federal office (including procedures relating to the use of the Federal write-in absentee ballot) to all absent uniformed services voters and overseas voters who wish to register to vote or vote in any jurisdiction in the State.

- (2) Recommendation regarding use of Office to Accept and Process Materials.—Congress recommends that the State office designated under paragraph (1) be responsible for carrying out the State’s duties under this Act, including accepting valid voter registration applications, absentee ballot applications, and absentee ballots (including Federal write-in absentee ballots) from all absent uniformed services voters and overseas voters who wish to register to vote or vote in any jurisdiction in the State.

(c) REPORT ON NUMBER OF ABSENTEE BALLOTS TRANSMITTED AND RECEIVED. — Not later than 90 days after the date of each regularly scheduled general election for Federal office, each State and unit of local government which administered the election shall (through the State, in the case of a unit of local government) submit a report to the Election Administration Commission (established under the Help America Vote Act of 2002) on the combined number of absentee ballots transmitted to absent uniformed services voters and overseas voters for the election and the combined number of such ballots which were returned by such voters and cast in the election, and shall make such report available to the general public.

(d) REGISTRATION NOTIFICATION.—With respect to each absent uniformed services voter and each overseas voter who submits a voter registration application or an absentee ballot request, if the State rejects the application or request, the State shall provide the voter with the reasons for the rejection.

SEC. 103. FEDERAL WRITE-IN ABSENTEE BALLOT FOR OVERSEAS VOTERS IN GENERAL ELECTIONS FOR FEDERAL OFFICE.

(a) IN GENERAL. — The Presidential designee shall prescribe a Federal write-in absentee ballot (including a secrecy envelope and mailing envelope for such ballot) for use in general elections for Federal office by overseas voters who make timely application for, and do not receive, States, absentee ballots.

(b) SUBMISSION AND PROCESSING. — Except as otherwise provided in this title, a Federal write-in absentee ballot shall be submitted and processed in the manner provided by law for absentee ballots in the State involved. A Federal write-in absentee ballot of an overseas voter shall not be counted. —

- (1) if the ballot is submitted from any location in the United States;
- (2) if the application of the overseas voter for a State absentee ballot is received by the appropriate State election official less than 30 days before the general election; or
- (3) if a State absentee ballot of the overseas voter is received by the appropriate State election official not later than the deadline for receipt of the State absentee ballot under State law.

(c) SPECIAL RULES. — The following rules shall apply with respect to Federal write-in absentee ballots:

- (1) In completing the ballot, the overseas voter may designate a candidate by writing in the name of the candidate or by writing in the name of political party (in which case the ballot shall be counted for the candidate of that political party).
- (2) In the case of the offices of President and Vice President, a vote for a named candidate or a vote by writing in the name of a political party shall be counted as a vote for the electors supporting the candidate involved.
- (3) Any abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party shall be disregarded in determining the validity of the ballot, if the intention of the voter can be ascertained.

(d) SECOND BALLOT SUBMISSION; INSTRUCTION TO OVERSEAS VOTER. — An overseas voter who submits a Federal write-in absentee ballot and later receives a State absentee ballot, may submit the State absentee ballot. The Presidential designee shall assure that the instructions for each Federal write-in absentee ballot clearly state that an overseas voter who submits a Federal write-in absentee ballot and later receives and submits a State absentee ballot should make every reasonable effort to inform the appropriate State election official that the voter has submitted more than one ballot.

(e) USE OF APPROVED STATE ABSENTEE BALLOT IN PLACE OF FEDERAL WRITE-IN ABSENTEE BALLOT. — The Federal write-in absentee ballot shall not be valid for use in a general election if the State involved provides a State absentee ballot that —

- (1) at the request of the State, is approved by the Presidential designee for use in place of the Federal write-in absentee ballot; and
- (2) is made available to overseas voters at least 60 days before the deadline for receipt of the State ballot under State law.

(f) **CERTAIN STATES EXEMPTED.** — A State is not required to permit use of the Federal write-in absentee ballot, if, on and after the date of the enactment of the title, the State has in effect a law providing that —

- (1) a State absentee ballot is required to be available to any voter described in section 107(5)(A) at least 90 days before the general election involved; and
- (2) a State absentee ballot is required to be available to any voter described in section 107(5)(B) or (C), as soon as the official list of candidates in the general election is complete.

SEC. 104. USE OF SINGLE APPLICATION FOR ALL SUBSEQUENT ELECTIONS.

(a) **IN GENERAL.**—If a State accepts and processes an official post card form (prescribed under section 101) submitted by an absent uniformed services voter or overseas voter for simultaneous voter registration and absentee ballot application (in accordance with section 102(a)(4)) and the voter requests that the application be considered an application for an absentee ballot for each subsequent election for Federal office held in the State through the next 2 regularly scheduled general elections for Federal office (including any runoff elections which may occur as a result of the outcome of such general elections), the State shall provide an absentee ballot to the voter for each such subsequent election.

(b) **EXCEPTION FOR VOTERS CHANGING REGISTRATION.**—Subsection (a) shall not apply with respect to a voter registered to vote in a State for any election held after the voter notifies the State that the voter no longer wishes to be registered to vote in the State or after the State determines that the voter has registered to vote in another State.

(c) **REVISION OF OFFICIAL POST CARD FORM.**—The Presidential designee shall revise the official post card form (prescribed under section 101) to enable a voter using the form to—

- (1) request an absentee ballot for each election for Federal office held in a State during a year; or
- (2) request an absentee ballot for only the next scheduled election for Federal office held in a State.

(d) **NO EFFECT ON VOTER REMOVAL PROGRAMS.**—Nothing in this section may be construed to prevent a State from removing any voter from the rolls of registered voters in the State under any program or method permitted under section 8 of the National Voter Registration Act of 1993.

(e) **PROHIBITION OF REFUSAL OF APPLICATION ON GROUNDS OF EARLY SUBMISSION.**—A State may not refuse to accept or process, with respect to any election for Federal office, any otherwise valid voter registration application or absentee ballot application (including the postcard form prescribed under section 101) submitted by an absent uniformed services voter during a year on the grounds that the voter submitted the application before the first date on which the State otherwise accepts or processes such applications for that year submitted by absentee voters who are not members of the uniformed services.

STATE INCOME TAXATION OF MILITARY PERSONNEL AND UNITED STATES CITIZENS RESIDING OUTSIDE OF THE UNITED STATES

Introduction

This report examines and summarizes the laws of the fifty states and the District of Columbia respecting the taxation of income of United States citizens domiciled within the state but residing abroad. The report is divided into four substantive sections. Section I discusses the law of states with no foreign tax credit or exemption provision. Section II analyzes the laws of states which grant an income tax credit for foreign income tax paid to a foreign country. In many cases, these states merely permit credit of any taxes paid outside of the state, whether to other states or to foreign governments. Section III describes the laws of the states which exempt income earned abroad to the same extent as such income is exempted by federal law. Section IV lists the seven states which have no income tax. Since no income tax is imposed, there can really be no substantive discussion of the treatment of United States citizens domiciled in the state but residing abroad. States which tax only certain types of income, such as dividends and interest (see discussions of New Hampshire and Tennessee), are discussed under the general tax provisions in Section I.

The first three sections are divided into a discussion of the definitions of domicile and residency for state income tax purposes, the tax base used by the state, and the probable income tax obligation in each of these states for domiciliaries residing abroad. In addition, special note is made where state domicile or residency is determined in whole or in part by voting within the state and where special rules apply to military personnel.

In regard to the special rules applicable to military personnel, a number of states merely refer to the tax provisions of the Soldiers' and Sailors' Civil Relief Act of 1940, presently found at 50 U.S.C. App. 574. Generally, this section provides that for state income tax purposes, an individual does not lose domicile in a specific state solely "by reason of being absent therefrom in compliance with military or naval orders" The same law also provides

that, for state income tax purposes, an individual does not acquire residence or domicile solely because of location under military orders. The Act further states that, where an individual is not deemed to reside or be domiciled in a state, military income will be treated by that state as non-resident income not earned within the state.

Section 911 of the Internal Revenue Code (IRC) permits United States citizens who reside abroad to exclude from their gross income up to \$80,000 of foreign earned income in tax year 2003 and a certain recognized amount for housing. This exclusion applies to taxpayers living abroad who were present in a foreign country or countries for 330 days out of any 12 consecutive months. The housing cost amount is the excess of the taxpayer's expenses over a base housing amount. The base housing amount is equal to 16 percent of the salary of a GS-14 government employee. As of January 1, 2003, this salary is \$72,381 so that the current base housing amount would be \$11,580.96. Housing costs provided by an employer may also be excluded from the gross income of the employee. In line with this, IRC § 119 provides that lodging furnished in an overseas camp may be excluded from the employee's income. It should be noted that neither exclusion is applicable to wages paid by the United States government even if the Federal employee is residing abroad.

Most states, and the District of Columbia, have signed agreements with the Treasury Department which provide for the withholding of state income taxes from the pay of service members. The text of the standard agreement may be found at 31 CFR § 215.6 - 13 (2001). The following states do not have standard agreements with the Treasury Department to withhold state income taxes from the pay of members of the armed services: Alaska, Florida, Nevada, South Dakota, Texas, Washington, and Wyoming.

The information contained in this report is accurate through the end of the 2002 legislative session of each state.

California	<p>Residents -- The term "resident" for income tax purposes includes: (a) every individual who is in the state for other than a temporary or transitory purpose, and (b) every individual domiciled in the state who is outside the state for a temporary or transitory purpose. If such person is absent for at least 18 months under an employment dated contract they are not considered to be outside the state for a temporary or transitory purposes (This exception does not apply to those who receive over \$200,000 in unearned income in a tax year). Any individual who is a resident of the state continues to be a resident even though temporarily absent from the state. An individual domiciled in California is absent from the state for a temporary purpose if such absence is by reason of (1) holding an elected or appointed office in the Federal Government or (2) working on the staff of an elected officer of the legislative branch of the U.S. Government. Cal. Rev. & Tax Code § 17014.</p> <p>Every individual who spends in the aggregate more than nine months of the taxable year within the state is presumed to be a resident. Cal. D.C. Code tit. 47, § 1801.4. Under an earlier District of Columbia tax law, the Supreme Court held that whether or not a person votes where he claims domicile is highly relevant, but by no means controlling on the question whether he is domiciled in the District of Columbia, nor is failure to vote elsewhere conclusive that domicile is in the District. <i>District of Columbia v. Murphy</i>, 314 U.S. 441 (1941); see also <i>District of Columbia v. Woods</i>, 465 A.2d 385 (1983).</p> <p>See Soldiers' and Sailors' Civil Relief Act.</p>	<p>The entire net income of residents. Arizona	<p>Residents and certain non-residents -- The term "resident" includes: (1) every individual who is in the state for other than a temporary or transitory purpose, and (2) every individual domiciled in the state who is outside the state for a temporary or transitory purpose. Every individual who spends in the aggregate more than nine months of the taxable year within the state is presumed to be a resident. Ariz. Rev. Stat. Ann. §§ 43-104(14), 43-104(19).</p> <p>See Soldiers' and Sailors' Civil Relief Act. 50 U.S.C. App. § 574.</p>	<p>The entire taxable income of every resident and the entire taxable income of every non-resident which is derived from sources within the state. Ariz. Rev. Stat. Ann. § 43-1011. Since Arizona computes its own taxable income from federal adjusted gross income, the exclusions under §§ 911-912 of the IRC for income from sources without the United States are apparently adopted by into the computation of Arizona taxable income. Any combat pay not already excluded by § 112 of the IRC is specifically excluded. Ariz. Rev. Stat. Ann. § 43-1022(19).</p> <p>Residents are allowed a credit only for taxes paid to the other state or country on income derived from sources within that state or country which is taxable under the foreign laws without regard to the residence or domicile of the recipient. No credit is allowed if the other state or country allows residents of Arizona a credit against taxes imposed by that state or country for taxes paid to Arizona. Ariz. Rev. Stat. Ann. § 43-1071.</p> <p>Non-residents are allowed a credit against Arizona taxes on income derived from sources within Arizona only if (1) the foreign country does not tax income of residents of Arizona derived from sources within that country or (2) allows residents of Arizona credit against taxes imposed by that country on such income for taxes paid to Arizona. Ariz. Rev. Stat. Ann. § 43-1096.</p>	<p>Residents -- Subject to tax on entire net income with §§ 911-912 and § 112 exclusions and the possibility of receiving a credit for foreign taxes paid.</p> <p>Non-residents -- Subject to tax on net income derived from sources within Arizona with the possibility of receiving a credit for foreign taxes paid on such income.</p>

Hawaii	<p>Residents and certain non-residents -- A "resident" is defined as every individual who resides in the state for other than a temporary or transitory purpose. Every individual who is in the state more than 200 days of the taxable year in the aggregate is presumed to be a resident. This presumption may be overcome by evidence satisfactory to the Department of Taxation that the individual maintains a permanent place of abode outside of the state and is in the state for a temporary or transitory purpose. No person shall be deemed to have gained or lost a residence simply because of his presence or absence in compliance with military or naval orders. Haw. Rev. Stat. § 235-1.</p>	<p>The entire income of all residents. The income received or derived from property owned, personal services performed, trade or business carried on, and any and every other source in the state by a non-resident. Haw. Rev. Stat. § 235-4(a), (b). Because Hawaii computes its own taxable income from federal adjusted gross income, the exclusions under § 911 of the IRC for income from sources without the United States are apparently adopted into the computation of Hawaii taxable income. Section 912 exclusions are specifically added back into Hawaii adjusted gross income. Haw. Rev. Stat. § 235-7(b).</p> <p>Residents are allowed a credit for taxes paid to an other state or country, which are paid on income derived from sources outside the state. The credit is not allowed for taxes paid on income excluded under § 911. Haw. Rev. Stat. § 235-55(a).</p> <p>Because Hawaii computes its own taxable income from federal adjusted gross income, the exclusion under § 112 of the IRC for compensation received for active service as a member of the armed forces of the United States for any month during which such member served in a combat zone or was hospitalized as a result of an injury incurred in such service is apparently incorporated into the computation of Hawaii taxable income.</p> <p>The first \$1,750 of income to members of the armed forces reserves is also excluded from gross income. Haw. Rev. Stat. § 235-7(a)(7)</p>	<p>Residents -- Subject to tax on all income with § 911 and § 112 exclusions, and with the possibility of a credit for foreign taxes paid.</p> <p>Non-residents -- Subject to tax on income derived from sources within Hawaii, with the possibility of a credit for foreign taxes paid.</p> <p>Military personnel -- Subject to tax on military compensation with the exclusion of combat pay.</p>

Indiana	<p>Residents and non-residents -- The term "resident" is defined as any individual who was domiciled in the state during the taxable year, or any individual who maintains a permanent place of residence in the state and spends more than 183 days of the taxable year within the state. Ind. Stat. § 6-3-1-12.</p> <p>The term "non-resident" is defined as any person who is not a resident of Indiana. Ind. Stat. § 6-3-1-13.</p> <p>See Soldiers' and Sailors' Civil Relief Act.</p>	<p>The entire federal adjusted income of residents, with adjustments not herein relevant. Ind. Stat. § 6-2.1-2-2.</p> <p>Since Indiana computes its own taxable income from federal adjusted gross income, the exclusions under §§ 911-912 of the IRC for income from sources without the United States are apparently adopted into the computation of Indiana taxable income. Ind. Stat. § 6-2.1-2-2. The federal adjusted gross income of non-residents derived from sources within Indiana. Ind. Stat. § 6-2.1-2-2.</p> <p>Indiana also gives its residents and non-residents a credit against Indiana income tax for taxes paid to another state or foreign country on income subject to tax in Indiana. Ind. Stat. §§ 6-3-3-3, 6-3-1-25.</p> <p>Indiana allows a deduction of \$2,000 per year from adjusted gross income for individuals who are members of the United States armed forces. Military retirees over 60 years of age may deduct \$2,000 in retirement or survivors' benefits. Ind. Stat. § 6-3-2-4.</p>	<p>Residents -- Subject to tax on federal adjusted gross income (above the exclusions under §§ 911-912 of the IRC) with the possibility of a credit for foreign taxes paid.</p> <p>Non-residents -- Subject to tax on federal adjusted gross income derived from sources within Indiana, with the possibility of a credit for foreign taxes paid.</p> <p>Military personnel and merchant marine -- Subject to tax on military compensation with stated exclusions.</p>

Iowa Code § 422.4(15). The term "non-resident" includes all individuals who are not residents. Iowa Code § 422.4(10).</p> <p>The Iowa tax regulations state that unless there is evidence to the contrary, one will be presumed to be domiciled in the state if he or she exercises the right to vote, uses homestead credit or military exemption, or otherwise exercises his or her rights to suffrage. Iowa Tax Regs. subrule 38.1(9); <i>In the Matter of Fox</i>, 1996 Iowa Tax LEXIS 1996.</p> <p>See Soldiers' and Sailors' Civil Relief Act.</p>	<p>The entire income of the residents defined as federal adjusted gross income, with certain adjustments not herein relevant. Iowa Code § 422.7. Since Iowa computes its own net income from federal adjusted gross income, the exclusions under §§ 911-912 of the IRC for income from sources without the United States are apparently adopted into the computation of Iowa net income.</p> <p>The net income of non-residents derived from sources within Iowa. Iowa Code §§ 422.5(j); 422.8(2).</p> <p>Iowa also provides a credit against Iowa tax for taxes paid to another state or foreign country on income subject to tax in Iowa. Iowa Code § 422.8(1).</p> <p>Since Iowa computes its own taxable income from federal adjusted gross income, the exclusion under § 112 of the IRC for compensation received for active service as a member of the armed forces of the United States for any month during which such member served in a combat zone or was hospitalized as a result of an injury incurred in such service is apparently adopted into computation of Iowa taxable income. Iowa Code § 422.7</p>	<p>Residents -- Subject to tax on federal adjusted gross income (above the exclusions under §§ 911-912 of the IRC) with the possibility of a credit for foreign taxes paid.</p> <p>Non-residents -- Subject to tax on federal adjusted gross income derived from sources within Iowa, with the possibility of a credit for foreign taxes paid.</p> <p>Military personnel -- Subject to tax on military compensation with stated exclusions.</p>

Montana	<p>Residents and non-residents -- The term "resident" is defined as any natural person domiciled in the state or who maintains a permanent place of abode within the state even though temporarily absent from the state and who has not established a residence elsewhere. Code tit. 15 § 30-101(16).</p> <p>See Soldiers' and Sailors' Civil Relief Act.</p>	<p>(1) The entire adjusted gross income of residents defined as federal adjusted gross income with certain modifications not herein relevant. DEFINITIONS

These definitions are conventional explanations; they may vary depending on state law.

Affidavit

A sworn statement in writing, usually made under oath or affirmation, before an authorized officer, notary or court official.

Attest

To witness the signing of a document.

Ballot

A sheet of paper or the like on which a voter marks his or her choice.

Closed Primary

A primary election in which a voter must declare a political party affiliation and vote that party's ballot in the primary election.

Congressional District

A division of a state, based on population, electing one member to the U.S. House of Representatives. There are 435 Congressional districts in the United States.

Constituent

Those citizens who are represented by the office holder they elect.

Constitutional Amendment

A proposed change or addition to a state constitution.

Domicile (Voting Residence)

The place where a person has a true, fixed, and permanent home or ties, and to which, whenever absent, has the intention of returning. It is the address that generally ties the voter into the precinct in which the voter intends to vote.

Elector

A qualified voter. Also used for the 538 members of the Electoral College.

Electoral Vote

The votes cast for President and Vice President by presidential electors in what is known popularly as the Electoral College. The total electoral vote is 538, with 270

needed to win the election. Traditionally, by law or custom, the candidate who wins the most popular votes in a state wins all of that state's electoral votes.

Electronic Transmission Service

Processing center which electronically routes applications for registration and ballots to local election officials; blank ballots to voters; and voted ballots to local election officials, as prescribed by state laws. The Service is administered by the Federal Voting Assistance Program.

Family Member

Based on the UOCAVA language we can define a "family member" as "a spouse or dependent of a member of the uniformed services or the merchant marine, who is absent from the place of residence where the spouse or dependent is qualified to vote by reason of the active duty or service of the uniformed services or merchant marine member."

Federal Ballot

Lists candidates for Federal office only — President/Vice President, Senator, and member of the U.S. House of Representatives.

Federal Post Card Application

A simultaneous registration and absentee ballot request used by U.S. citizens voting pursuant to the Uniformed and Overseas Citizens Absentee Voting Act.

Federal Write-In Absentee Ballot

A special ballot, available from Voting Assistance Officers, enabling voters to write in their candidate preference for President/Vice President, U.S. Senate, and U.S. Representative/Delegate. Some states have expanded use of this form beyond these offices. Consult Chapters 2 and 3 of this *Guide* for details.

Full Ballot

Lists candidates for Federal, state and local office plus local questions and issues.

General Election

An election held to choose candidates nominated in the primary (or by convention or caucus), for Federal, state, and local office.

Majority

A number greater than half of the total votes cast.

Members of the Merchant Marine

Crew members of ships registered under the U.S. flag, including persons in training or enrolled to be crew members, but in most states not including those on ships confined to the Great Lakes and inland waters. Students of the Merchant Marine Academy are not included.

Members of the Uniformed Services

Members of the U.S. Army, Navy, Marine Corps, Air Force, Coast Guard, and the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration. This includes Cadets and Midshipmen of the Service academies.

Municipal Election

An election held in a city or town to vote for local officials or on questions of local interest.

Notary Public

A notary public (notary) is a public officer who is commissioned to administer oaths and authenticate signatures.

Open Primary

A primary election in which voters may vote for the candidates of any party listed on the ballot.

Party Platform

A statement of basic principles put forth by a political party, usually at its national convention, to be adopted by its candidates in the election campaign.

Plurality

The number of votes cast for a candidate who obtains the greatest number of votes, though not a majority, in a contest of more than two candidates.

Popular Vote

The numerical vote of the people, as distinguished from the electoral vote.

Presidential Electors

In the Presidential election held the first Tuesday after the first Monday in November of every fourth year, each state chooses as many presidential electors as it has Senators and Representatives in Congress. The District of Columbia chooses three presidential electors. The electors comprise

the Electoral College, which elects the President and Vice President, the only elective Federal officials not elected by direct majority vote of the people.

Primary or Primary Election

An election held before a general election to nominate a political party's candidates for office. In some states, other officials, such as delegates to party conventions, are elected at this time. Dates for primaries are set by the states and vary from state to state. In some, a separate primary is held by each of the principal parties; in others, only the major political parties hold a primary.

Proxy

A person authorized to request or complete registration forms or to obtain an absentee ballot on behalf of another person. A proxy may not cast a ballot for another person.

Referendum

A method of submitting a legislative measure to the voters for approval or rejection.

Registration

The process whereby a prospective voter is required to establish identity and residence prior to an election in order to be declared eligible to vote.

Residence

The place where a person currently resides, regardless of an intent to remain there permanently.
(see *Domicile* above)

Runoff

An election held in some states if no one candidate for an office receives a majority (or specified percentage) of votes to win the election.

Special Election

An election that is specially scheduled to fill an office that has become vacant before the term of its expiration.

Sworn To

A statement “sworn to” is one made under oath or affirmation before a notary or other authorized person that the statement is true.

Voting Residence

The voter's domicile, generally. However, the voting residence of a U.S. citizen voting pursuant to the *Uniformed and Overseas Citizens Absentee Voting Act* and no longer domiciled in the United States will be the place in which he or she was last domiciled immediately prior to his or her departure from the United States.

Write-In
